

# Fast Track 123 – Respiratory Therapy

For more information, visit [www.uvu.edu/pathways/fast-track](http://www.uvu.edu/pathways/fast-track)

**01**

**TAKE CONCURRENT  
ENROLLMENT CLASSES  
IN HIGH SCHOOL**

Register for Concurrent Enrollment during high school and complete the General Education Certificate, specifically BIOL 1610/15, PSY 1010 or PSY 1100, PHIL 205G.

Enroll at UVU and take CHEM 1110, MICRO 2060/2065, ZOOL 2320/2325 and ZOOL 2420/2425. Apply to the Respiratory Therapy Program.

**ENROLL AT UVU**

**02**

**03**

**MEET WITH AN  
ADVISOR**

Meet with UVU Pre-Respiratory advisors, who are your first stop for all questions about credit, degrees, and college completion.

After admission to the Respiratory Therapy Program, you'll complete the remaining coursework as a cohort.

**COMPLETE THE  
DEGREE  
REQUIREMENTS**

**04**
