01

TAKE CONCURRENT ENROLLMENT OR TECHNICAL COLLEGE COURSES

Complete a program at a Utah technical college OR register for Concurrent Enrollment during high school and complete the General Education certificate.

Transfer from a technical college after graduation by applying to UVU and meeting with an academic advisor OR after high school graduation, enroll at UVU and meet with an academic advisor.

ENROLL AT UVU

02

03

MEET WITH AN ADVISOR

Keep meeting with your advisor! UVU advisors are your first stop for all questions about credit, degrees, and college completion

Finish up all required courses. You can complete remaining required coursework in 3 years!

COMPLETE THE DEGREE REQUIREMENTS
