

## FACTS & PROGRAMS

### MISSION STATEMENT

The Career and Technical Education department at UVU supports and provides opportunities for students to acquire and use high-quality career and technical skills. Through engaged and focused skill attainment, students prepare for meaningful employment in a competitive and global workforce.

### THE PROGRAM

CTE offers a variety of training programs to best fit your interests and needs. Many offer two-year associate degrees, while other programs provide certificate- or one-year training. UVU is your fast track to the job market.

A CTE education quickly prepares you for the future, and for a number of fulfilling and high-demand career opportunities. Our approach combines relevant academic learning with real technical skills. What you learn in the classroom is what you'll do on the job.

With a degree or certificate from Utah Valley University, through the Career and Technical Education (CTE) programs, the possibilities are limitless.
