Third-party comments relative to the Commission's accredited programs may include comments submitted by interested parties. Students, faculty, constituent dental societies, state boards of dentistry, patients, and other interested parties may submit an appropriate, signed, formal complaint to the Commission on Dental Accreditation regarding any Commission accredited dental, allied dental or advanced dental education program, or a program that has an application for initial accreditation pending. An appropriate complaint is one that directly addresses a program's compliance with the Commission's standards, policies, and procedures. The Commission is interested in the continued improvement and sustained quality of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for treatment received by patients or individuals in matters of admission, appointment, promotion or dismissal of faculty, staff, or students.

Comments will be screened by Commission staff for relevancy. Signed and unsigned comments will be considered. Names and/or signatures will be removed from comments prior to forwarding them to the program. For comments not relevant to these issues, the individual will be notified that the comment is not related to accreditation and where appropriate, referred to the appropriate agency.
