IMMEDIATE SUPPORT
(801) 863-1111
media@uvu.edu

GET STARTED ON THE RIGHT FOOT

- **Familiarize with your room:** Visit prior to day one. Test presentations, connect personal devices, and plan a backup.
- **Report problems promptly:** Call **(801) 863-1111** immediately so we can fix issues quickly.
- **Request Support:** We provide onsite training, phone support, and rapid in-person assistance.

Web Guides: Classroom Help | UVU | Conference Room Help | UVU

TOUCH PANEL & DISPLAY SOURCES

Select sources using the **bottom ribbon icons** on the touch panel.

1. Room Computer

Displays to local monitor & room display (projector/TV). If dark, re-press source button or check power light on computer in rack below station.

- **Login:** Use uvuid@uvu.edu + password OR tap YubiKey + PIN.
- **Display Mode:** Choose *Clone* (mirror) or *Extend* on desktop settings.

2. HDMI / Personal Laptop

Connect via HDMI/USB-C cable & tap HDMI on panel.

Tip: Press Win + P (or Mac display settings) to toggle display modes.

3. AirMedia (Wireless Display)

Wirelessly present from your personal device or allow students to present wirelessly to the main room display.

RECORDING & STREAMING

- **Class Recordings:** Automated lecture capture is available in most rooms. View recordings in Canvas under **"Course Media"**.
- **Microsoft Teams:** Ideal for live streaming/recording classes. Contact AVSE for setup help.

UVU CLASSROOM TYPES

ENHANCED

Equipped with integrated cameras, microphones, and peripherals for seamless recording and streaming.

COLLABORATION

Modernized space built for teamwork, interaction, and wireless student group work.

LIVE INTERACTIVE

Remote class support available across campus, plus 4 dedicated high-bandwidth spaces.

THE FUTURE OF UVU CLASSROOMS

We're continuously innovating based on faculty feedback!

- ★ **Personalized Machine Learning**
  System learns your preferences and starts up in your preferred teaching mode.
- ★ **AI Self-Help Troubleshooting**
  Instantly resolve in-room technical issues via smart AI guidance.
- ★ **Engaging Icebreakers**
  In-room sound effects and interactive apps to create positive energy.
- ★ **Easy Scheduling & Local Panels**
  Simplify booking rooms for meetings, events, and study sessions.
- ★ **Teams & Wireless Upgrades**
  Effortless room invites in Teams & enhanced wireless HDMI from Macs/PCs.

Thank you for your feedback & contributions! We look forward to working together for an exceptional semester at UVU.
