Dear _____:

Based on the application for financial aid you submitted earlier this year, UVU's Financial Aid office has identified you as a student who may be eligible for a COVID-19 emergency grant. This grant, part of the federal CARES Act, provides funding for students who have been affected by disruptions to their educations due to the COVID-19 outbreak—for example, if you need new technology to complete courses that were moved from face-to-face to online, if your housing needs changed when courses moved online, if you lost the job you held while attending UVU or child care and need financial help to complete the semester, if you need medical care, **or any other expenses related to the sudden disruptions to school and campus life.**

For more information about UVU's CARES Act funding, see (FAQ page).

To determine whether you are eligible, please complete the following survey and certification at [\(survey link\)](#). As soon as eligibility is determined funds will be sent to you. No additional steps are needed from you.

We hope you are staying healthy and safe! We look forward to seeing you again at UVU in summer or fall
