

First-Year Advising Center

Faculty Advisory Board

The First-Year Advising Center (FAC) established an advisory board in Fall 2020 in order to bring valuable stakeholders from the UVU community together to provide feedback and extended support to the Center. Members of the advisory board assist in maintaining the vision of First-Year Advising, provide insight into the work of the Center, and act as campus advocates for the FAC.

The membership of the committee includes an appointed faculty representative from each of UVU's eight colleges and schools, two college or school advising directors, and key campus partners. Below is a list of the current representatives.

Representative	Title	College/School
Elaine Lewis (chair)	Director	First-Year Advising Center
