

**Graduate Student  
Leave of Absence Form**

If you are requesting a leave of absence from your graduate program and want to reserve your place in the program, please complete this form and submit it to your graduate program director for consideration. Approval of a leave of absence is at the discretion of the graduate program director and Director of Graduate Studies. If a leave of absence is not approved, students would need to reapply for the graduate program.

Leave of absence approval is subject to the student returning to the program in good standing at the semester returning date stated on this form. Failure to return during that semester would require the student to reapply for admission to the graduate program.

Please see [www.uvu.edu/leaveofabsence](http://www.uvu.edu/leaveofabsence) for additional information. If you need to drop classes for which you have already registered, you will need to complete the process on this website.
