

Form G
Graduate Faculty Course Coverage
Graduate Program Development Process

1. Complete Table G-Graduate Faculty Course Coverage for the courses in the proposed graduate program.
 - a. State the title of the proposed graduate program.
 - b. Include the course prefix, course number, course title, and proposed Graduate Faculty member name or Graduate Faculty associate member name for each course proposed for the program.
 - c. If a new hire will be used for the course, please write "New Hire" for the Graduate Faculty Name.
 - d. Indicate if the faculty member meets the qualifications to be a full, associate, or professional Graduate Faculty member. Indicate whether or not the new hire will be a full, associate, or professional Graduate Faculty member.
 - e. For programs that use a thesis, list all qualified faculty who would serve on thesis committees under the thesis course number. (Delete italics when complete).

2. Attach Form H-UVU Graduate Faculty Application Form to Form G for each faculty member listed in Table 1-Graduate Faculty Course Coverage, including signatures of faculty member, department chair, and dean. No Form H is required for planned new hires. (Delete italics when complete).

Table G
Graduate Faculty Course Coverage
Graduate Program Name: _____

Course Prefix	Course Number	Course Name	Graduate Faculty Name	Graduate Faculty		
				Full	Associate	Professional
