

SAY HELLO TO OUR HONORS PROGRAM STUDENT AMBASSADOR TEAM:

MICHAEL BANOVICH 10782756@my.uvu.edu;

SAMUEL BOYDEN s1boyden@gmail.com;
I'm a Sophomore majoring in biology. I probably can't help you with physics or math homework, but if you need random animal facts, I'm your guy. Feel free to message me if you have any questions about the Honors Program and I'll do my best to help you figure it out.

WILLIAM BRADSHAW williambradshaw1998@gmail.com;
I'm a junior studying History and Pre-Med. Honors has taught me how to be more engaged in my course work. I now find greater joy in learning and deciphering new information.

PARKER DOLTON 10775023@my.uvu.edu;
I'm a Junior, with a Political Science major and French minor. I learned everything I know from Ferris Bueller.

LAUREN JOHNSON laurenjohnson.contact@gmail.com;
I'm a Junior studying English Literature with a minor in French and I just wish people would be quieter in the library. Hit me up if you need a paper edited or if you're interested in some of our outdoors trips!

WYATT KNECHTEL 10629306@my.uvu.edu;
I'm a Senior majoring in Biology and I'm also a Pre-Dent student. I'm graduating Spring 2019, and I've been accepted into one of my top detnal school choices in the Pacific Northwest. If you're taking O-Chem, I'd be happy to try to help! But if not, I'll still say hi to you.

SIERRA NELSON sierranutah@yahoo.com;
I'm a Senior studying Digital Marketing and dabbling in Graphic Design. You can usually find me working on my succulent blog or admiring my 100+ plants.

TIANI ORR tianilorr@gmail.com;
I'm a Senior in Exercise Science (Pre-Physical Therapy) and in addition to Honors, also a member of the leadership program here at UVU! If you ever have any questions, need a running buddy, gym friend, or someone to do yoga with (or even someone to answer your questions about what in the world colloquium is) I got you!

JEFFICA PROUT jefficavprout46@comcast.net;
I'm a junior majoring in Deaf Studies-Interpreting. Sign Language is my passion, along with the Honors Program. I love advocating for these departments and socializing to get to know everyone.

SAGE STAPLES sages Staples@gmail.com;
I'm currently a Senior majoring in Elementary Education. After three years, I still have no idea how to cook, and prefer to eat ice cream with every meal.

JEHICOB TORRES jehicob572@gmail.com;
I'm a Junior majoring in Political Science. 80% of my conversations consist of Nacho Libre, The Office, or Vine quotes. I'm happy to help with any questions that you might have!

TANNER VANCE tannervance@uvu.edu;
I'm a junior working towards my degree in Deaf Studies with an Interpreting emphasis. I've worked as an Honors Program office assistant for nearly two years, so I can help you with most all things Honors. You're sure to find me with a camera, working on a literary magazine, chatting in ASL, or (lame as it may sound) studying.
