Log into Scholarship Universe and answer the Innovation Academy questions.

For help locating the question, please access this guiding document:

[Accessing the Innovation Academy Question in Scholarship Universe.](#)

Skills Ranking

You will sort and rank a list of skills based on your current experience. There are no right or wrong answers – this helps us understand your strengths and areas where you'd like to grow.

Interest Ranking

You will sort and rank areas of interest based on what excites you most. This helps us align students with fellowship opportunities that match their interests.

Essay

You will be required to respond to 1 essay prompt. Your essay should be at least one paragraph and not more than five paragraphs. This years prompt is:

Provide an example of a time when you were faced with a complex problem or issue. How did you approach the problem, what creative solutions did you use to solve the problem, and what were the outcomes? ☐

Video Submission

You will upload a short video of yourself giving a presentation on a topic of your choice. This can be something you are passionate about, curious about, or experienced in – academic or personal. There is no “right” topic. The video helps us understand your communication style, creativity, and comfort presenting ideas.

Guidelines: 2 – 3-minute video

Format: Any standard video format or unlisted link (YouTube, OneDrive, etc.) You may present with or without slides—whatever feels most natural to you.
