

# Advancement in Teaching & Learning Emphasis, M.Ed.

*Empowering the student through knowledge, preparation, and ethics*

The teacher leadership program is designed for practicing teachers who want to enhance their teaching and mentoring at the school, district, and community levels. This emphasis reviews innovative instructional strategies, effective use of assessments for learning, and responsive curriculum design. Teachers will develop a broader understanding of the educational landscape, which will help them advocate for effective and responsible policies for PK-12 education.
