

School Counseling, M.Ed.

Empowering the student through knowledge, preparation, and ethics

The Master of Education in School Counseling (MEdSC) emphasis equips individuals with the skills and knowledge to provide exceptional school counseling services at all levels of the educational system. Our experienced faculty, who have backgrounds in both clinical mental health and school counseling, provide students with invaluable insights and training.

Upon graduation, students will be equipped with the necessary skills and confidence to make a meaningful difference in the lives of their future clients.
