## Hello Students,

MASH has officially moved! We're excited to announce our new home in LC 303, leaving behind LC 408. Come visit us in our fresh, vibrant space—ready to serve you better than ever!

The MIDAS Provo River Float was a fantastic way to spend a summer day! Students enjoyed floating down the scenic Provo River and sharing a delicious BBQ lunch at Vivian Park with friends and fellow students. It was a fun, community-building adventure that brought everyone together for a memorable experience.

The summer semester is winding down, and we're so proud of all you've accomplished these past few months. As fall approaches, get ready for a whole new season of fun activities and opportunities to connect, from horse riding basics, to exciting campus events. We can't wait to see you dive into everything the new semester has to offer!

The UVU VA Work Study program offers part-time, flexible employment in the Military-Affiliated Student Hub for eligible students using GI Bill® benefits. To apply for summer, email your application to [mash@uvu.edu](mailto:mash@uvu.edu). For details, visit the program's webpage <https://www.uvu.edu/military-affiliated/programs/va-work-study/>.

## Submit Class Schedule

Fall 2025 priority registration opened April 7. If you will be using VA Education Benefits, please remember to submit a class schedule form using the website.
