

MILITARY-AFFILIATED STUDENT HUB

Happy October!

You've made it almost halfway through the semester and mid-terms are just around the corner! With that comes Spring 2025 registration, so it's time to start planning ahead. Once you've registered for your classes, remember to submit your class schedule and any required paperwork to avoid delays in your payments for the Spring 2025 semester!

We'd love for you to stop by, say hello, and get to know us. Don't forget, every Friday we play episodes of M*A*S*H - come join us for some fun and relaxation! We invite you to stop by and participate in activities like Services Day with TRiO, VSO, and VSOC in the Hub, getting help with math and other tutoring at the Hub, or bringing your family to the Trunk or Treat event. Don't forget about the Student Success Resource Fair or the VA VR&E Veteran Career Fair!
