- Aug 26 - Part-Time Job Fair

Military-Affiliated Students,

As the Summer 2026 semester comes to a close, we want to thank everyone who made it such a memorable and successful season. From engaging events to meaningful connections, it has been a great few months, and we appreciate all who participated and contributed. We are excited to welcome everyone back soon and look forward to the energy and opportunities that the Fall 2026 term will bring.

Our next event is the Equine Therapy Trail Ride in Payson Canyon on August 5. You can sign up [here](#). If you are new to horseback riding and feel unsure about trail riding, we offer horse riding basics in collaboration with the UVU Rodeo in September, held in their arena.

MASH will also host its Fall Benefit Orientation on August 6, sign up [here](#). Representatives from VR&E and the National Guard Offices will be present to answer questions about VR&E, STA, and FTA benefits.

Looking for a flexible on-campus job? The Military-Affiliated Student Hub (MASH) offers VA Work Study opportunities for eligible students. These positions are designed to fit around students' class schedules, provide valuable work experience, and allow students to earn extra income while supporting fellow military-affiliated students. Contact MASH or visit [VA Work Study Program](#) to learn more about eligibility and available positions.

Submit Certification Request Form

Fall 2026 priority registration opened on April 6th. If you will be using VA Education Benefits, please remember to submit a certification request form using the MASH [website](#).
