- July 20 - Red Cross Blood Drive (Science Atrium)
- July 24 - UVU & MASH closed for Pioneer Day
- July 31 - Fresh Food Friday (Demo Kitchen)

## Military-Affiliated Students,

Welcome to Summer 2026. The season is officially underway, and we kicked it off with a great start by floating the Provo River with UVU students. Although it was a bit windy, the barbecue and river float made for an enjoyable and memorable beginning to the summer semester. If you missed this event, we hope you will join us next year for this annual summer activity.

Our next event is the Equine Therapy Trail Ride in Payson Canyon on August 5. You can sign up [here](#). If you are new to horseback riding and feel unsure about trail riding, we offer horse riding basics in collaboration with the UVU Rodeo in September, held in their arena.

MASH will also host its Fall Benefit Orientation on August 6, sign up [here](#). Representatives from VR&E and the National Guard Offices will be present to answer questions about VR&E, STA, and FTA benefits.

MASH also encourages students to explore additional support opportunities, such as the Heroes Initiative. This program provides funding and resources for military-connected students pursuing higher education. Eligible students are invited to apply and learn more about available benefits through the application [page](#). This is a valuable opportunity to receive supplemental support as you continue your academic journey.

Additionally, MASH is currently hiring student employees through the VA Work Study program. This is a paid opportunity to support military-affiliated students. To apply, complete the application [HERE](#) and email it to [mash@uvu.edu](mailto:mash@uvu.edu).

## Submit Certification Request Form

Fall 2026 priority registration opened on April 6th. If you will be using VA Education Benefits, please remember to submit a certification request form using the MASH [website](#).
