- Sept 18 - Air Force Birthday
- Sept 22 - Horse Riding Basics
- Sept 30 - Stem Career & Internship Fair

Military-Affiliated Students,

Welcome to the Fall 2026 term! We hope your semester has started off well and that you are settling into your classes, routines, and campus community. Our office is here to support you throughout the term, and we look forward to connecting with you at upcoming events and activities.

Please note that our office will be closed on Monday, September 7, in observance of Labor Day, and Thursday, September 10, for Healing Service Day. We will resume normal office hours following each closure.

Join us as we celebrate the Air Force Birthday with cake outside LC 303 at 11:00 a.m. We hope you will stop by to celebrate this important occasion with us.

Students are also invited to participate in our free Horse Riding Basic Training Course. Space is limited, so be sure to sign up early. This course is a great opportunity for students who have never ridden a horse or who would like to build confidence and learn basic riding skills. Students interested in participating in summer trail rides must have previous horseback-riding experience, making this course a great way to prepare for future trail-riding opportunities.

This is also a great opportunity to join MIDAS (Military Individuals, Dependents, and Spouses) and connect with others in the military-affiliated campus community. You can sign up here!

Submit Certification Request Form

Fall 2026 priority registration opened on April 6th. If you will be using VA Education Benefits, please remember to submit a certification request form using the MASH website.
