ABOUT THE EXHIBITION

The annual *Student Art Exhibition* is a highly competitive showcase highlighting the exceptional talent within Utah Valley University's Art & Design Department. Being selected is a prestigious honor that offers emerging artists invaluable professional experience as they prepare for their careers. The show highlights the creativity, skill, and innovation that define UVU's thriving artistic community.

Hosted in the second-floor galleries of the UVU Museum of Art at Lakemount, the exhibition provides students a rare opportunity to present their work in a true museum setting. The thoughtfully curated spaces blend historic character with contemporary design, creating a professional environment that elevates each piece and mirrors real-world exhibition standards. Presenting artwork in this venue not only highlights the exceptional talent within UVU's Art & Design Department but also gives emerging artists meaningful preparation for future careers in the arts.

ABOUT THIS YEAR'S JUROR

Nancy E. Rivera is a visual artist whose practice intertwines photography, fiber art, and sculpture to explore themes of identity, memory, and citizenship.

Rivera's work has been featured in prominent group and two-person exhibitions across the United States, including Spring/Break Art Show in Los Angeles, PS122 in New York City, the Utah Museum of Contemporary Art in Salt Lake City, and Granary Arts in Ephraim, Utah.
