

UVU Jazz and Commercial Bass Auditions

Jazz and Commercial Bass auditions are held the first Tuesday of the fall semester from 2-4p in GT 416.

This audition serves to place students in each ensemble requiring acoustic or electric bass including Jazz Orchestra, Jazz Combos, and Small Commercial Music Ensembles.

You will be asked to demonstrate core bass skills including various grooves (funk, rock, latin, etc.), walking bass lines over chord progressions, improvisation, and sight-reading.

Please sign up in the music office and plan to attend the full two hours. This will give you the chance to meet and jam with other UVU students through the audition process.

Contact Dr. Alex Heitlinger (alex.heitlinger@uvu.edu) if you have any further questions.
