

## BSN Completion Program (RN-BSN)

for applicants already licensed as Registered Nurses *as of Fall 2021*

All BSN nursing classes are offered face to face or online. Classes can be taken in any order, and students can attend full or part time. Acceptance to UVU is required. Apply to UVU at <https://www.uvu.edu/> Students must meet both requirements for UVU and the Dept. of Nursing to qualify for graduation with a BSN. Students not in the UVU nursing program will *also* need to apply to the UVU RN-BSN Nursing Program. For UVU RN-BSN Nursing application information see: <https://www.uvu.edu/nursing/degrees/bsn.html>

**Prerequisite Requirements:** All prerequisites must be completed before applying to the program. A final grade of a C or higher is required in all classes except GE Math Quantative Literacy (QL)\*\*.

- |   |   |
|---|---|
| <input type="checkbox"/> ENGL 1010 or ENGH 1005                       | <input type="checkbox"/> ZOOL 2320 Human Anatomy w/lab    |
| <input type="checkbox"/> Math QL Course (*not stats required for BSN) | <input type="checkbox"/> Micr 2060 Microbiology w/lab     |
| <input type="checkbox"/> PSY 1100 Human Dev/Life Span                 | <input type="checkbox"/> ZOOL 2420 Human Physiology w/lab |
| <input type="checkbox"/> CHEM 1110 Elem Chemistry                     | <input type="checkbox"/> Associate of Science in Nursing  |
| <input type="checkbox"/> NUTR 1020 Foundations of Human Nutr          | <input type="checkbox"/> RN licensure complete            |

**General Education Requirements:** It is strongly suggested students complete all GE requirements *prior* to starting the nursing program. Officially transferring an AS degree may fill some of these requirements.

- |  |   |
|--|---|
| <input type="checkbox"/> American Institutions | <input type="checkbox"/> ENGL 2010 Intermediate Writing |
| <input type="checkbox"/> Humanities            | <input type="checkbox"/> PHIL 2050 Ethics & Values      |
| <input type="checkbox"/> Fine Arts             | <input type="checkbox"/> BIOL 1610 College Biology I    |
- Upper Division Credits: A minimum of 40 upper division credit hours are required to graduate. Courses numbered 3000 or higher are considered upper division credits. BSN credits alone will not satisfy this requirement.

**Non-Nursing BSN Degree Requirements:** These classes can be taken prior to entry in the program. Final grade of C or higher is required.

- ZOOL 4400 Pathophysiology
- University level statistics - PSY 3110, MGMT 2340, STAT 1040 or 1045. Stats course cannot be used for General Education QL requirement.

### BSN Completion Curriculum Outline - NURSING CLASSES ONLY

NURSING classes can be taken in any order, full or part-time.			Final grade of C or higher required in all classes.		
Course	Title	Credit Hours	Course	Title	Credit Hours
NURS 4320	Nursing in the Community	2	NURS 4510	Clinical Assessment & Reason	2
NURS 4325	Nursing in the Community Clinical (see back page)	1	NURS 4520	Navigating Health Systems	3
NURS 4230	Palliative Care in Nursing	3	NURS 4540	Research & Theory in Nursing Practice (prerequisite)	4
NURS 4340	Genomics in Nursing & Health	2	NURS 4550	Quality & Safety in Nursing	3
NURS 441G	Nursing in Global Perspective	3	—————	Approved Nursing Elective Credits*	5
NURS 4500	Nursing Leadership	3			
Total Nursing credit hours for BSN completion = 31 credit hours			GE Credits: 36 + Nursing Credits: 84 = Total BSN credit hours: 120		

Additional information on the back of this page.

## **ADDITIONAL INFORMATION:**

### **\*APPROVED NURSING ELECTIVE HOURS: 5 Credits**

The BSN degree requires 5 credit hours of approved Nursing Elective credit hours.

All or at least 2 credit hours of the required 5 Nursing Elective credit hours must be upper division nursing classes from the Approved Nursing Elective Classes List. If needed, other Nursing Elective credit hours may be taken from the Approved Non-Nursing Classes List.

For the Approved Nursing Elective Classes List go to [www.uvu.edu/nursing](http://www.uvu.edu/nursing). Select the student resources tab, then select Approved Nursing Electives, or look at BSN Elective List in Nursing Core classes on Wolverine Track.

**NURS 490R Special Topics in Nursing** - limit of 4 credit hours can be applied toward elective hours.

**NURS 495R Independent Study in Nursing** - limit of 3 credit hours can be applied toward elective hours.

### **NURS 4540 Research & Theory in Nursing Practice**

Prerequisite of a university-level statistics course with a C grade or higher.

### **NURS 4325 Nursing in the Community Clinical**

This class must be taken concurrently with NURS 4320.

NURS 4325 Nursing in the Community Clinical requires 45 hours of community service which may include working in a community-based nursing setting, engaging in a community teaching project, and providing community service of the student's choice with instructor approval.

These clinical hours must be completed while registered for NURS 4320 & 4325, not before or after.

Clinical faculty members responsible for the course will make arrangements for clinical assignments for students. Specific details about the clinical hours needed and any questions regarding the NURS 4325 clinical course requirements should be directed to the clinical faculty responsible for the course.

Until matriculated in the BSN completion program, all requirements are subject to change without notice or obligation.

BSN completion program classes can be taken in any order, full or part-time, and face to face or online.

A grade of C or better is required in each class.

\*\*A grade of C- or higher is acceptable in the GE Math Quantative Literacy (QL) class .

Responsibility for satisfying all requirements rests upon the student.

Students should use Wolverine Track to monitor their graduation requirements.
