

BSN Employment

UVU Bachelor of Science in Nursing (BSN) completion graduates are competitive in the job market. Although many BSN students continue in jobs obtained as ASN graduates, significant numbers hold jobs which require BSN level education.

*Fall 2012 – file was corrupted so data may not be accurate

** Spring 2013 – no respondents indicated where they were working

*Fall 2012 – file was corrupted so data may not be accurate

** Other – other categories require BSN level education, ie. Case management, supervision, management, research, etc.
