

Associate in Science in Nursing w/ BSN Completion

Program Outline for Fall 2022 Entry

REQUIRED PREREQUISITES (must be completed before applying to the Nursing program)

ENGL 1005 or ENGL 1010	Lit & Comp Across Context or Intro to Acad Writing	5 or 3		Math Quantitative Literacy (QL)	UVU Quantitative Literacy Equivalent (Additional stats class requirement for BSN. QL math class cannot be used to fill both requirements.)	3
BIOL 1610	College Biology I	4		ZOOL 2320	Human Anatomy	3
CHEM 1110	Elem Chemistry	4		ZOOL 2325	Human Anatomy Lab	1
PSY 1100	Human Development Life Span	3		ZOOL 2420	Human Physiology	3
NUTR 1020	Foundations of Human Nutrition	3		ZOOL 2425	Human Physiology Lab	1

ASN CURRICULUM OUTLINE will be followed upon acceptance into the Nursing program

Final grade of a B- or higher required in all classes

NURSING 1st Semester			NURSING 2nd Semester		
NURS 2300	Nursing Health Assessment	2	NURS 2410	Nursing Common Health Needs	3
NURS 2305	Nursing Health Assessment Lab	1	NURS 2415	Nursing Common Clinical	2
NURS 2310	Nursing Pharmacology	3	NURS 2420	Care of Aging Population	2
NURS 2320	Fundamentals of Nursing Care	2	NURS 2430	Mental Health Nursing	2
NURS 2325	Sim Lab I	2	NURS 2435	Mental Health Nursing Clinical	1
MICR 2060	Microbiology (can be completed before entering ASN program but must be complete before the end of 4th semester)	3	NURS 2445	Sim Lab II	1
MICR 2065	Microbiology Lab (can be completed before entering ASN program but must be complete before the end of 4th semester)	1	PHIL 2050	Ethics and Values (Required GE class for ASN. Can be completed before entering the Nursing program.)	3
ASN Sem Credits		10-14	ASN Sem Credits		11-14
NURSING 3rd Semester			NURSING 4th Semester		
NURS 3330	Nurs Complex Health Needs	2	NURS 3400	Patient Care Coordination & Mgmt	1
NURS 3335	Nursing Complex Clinical	2	NURS 3405	Patient Care Preceptorship	2
NURS 3340	Mom/baby/peds	3	NURS 3440	Pharmacology for the Practicing Nurs	2
NURS 3345	Mom/baby/peds Clinical	1	NURS 3445	Sim Lab IV	1
NURS 3355	Sim Lab III	1			
ASN Sem Credits		9	ASN Sem Credits		6

Required GE and major classes for the BSN degree that can be completed before entering the ASN program.

ENGL 2010	Intermediate Writing - BSN option only	3		American Institutions - BSN option only	3
	Humanities - BSN option only	3		Fine Arts - BSN option only	3
ZOOL 4400	Pathophysiology - BSN option only BUT highly recommended for ASN	4		PSY 3110, MGMT 2340, STAT 1040 or 1045.	3-5

BSN Completion Curriculum Outline

Seamless transition into BSN completion courses is only an option after graduating from the UVU ASN program and receiving an RN license. Registration after one semester of BSN nursing courses will be contingent upon having received an RN license. BSN completion program classes can be taken in any order, full or part-time, and online or face-to-face. A grade of C or better is required in each BSN core class.

Only classes indicated below can be taken before ASN graduation.

BSN NURSING Required classes					
NURS 4230	Palliative Care in Nursing	3	Can be taken after ASN 2nd semester.		
NURS 4320	Nursing in the Community	2			
NURS 4325	Nursing in the Community Clinical	1			
NURS 4340	Genomics in Nursing Health	2	Can be taken after ASN 3rd semester.		
NURS 441G	Nursing in Global Perspective	3	Can be taken anytime.		
NURS 4500	Nursing Leadership	3			
NURS 4510	Clinical Assess Reasoning	2			
NURS 4520	Navigating Health Systems	3			
NURS 4540	Research Theory Nursing Practice (prerequisite univeristy-level statistics course)	4			
NURS 4550	Quality & Safety in Nursing	3			
_____	*Advisor Approved Nursing Elective Credits	5	**Check Approved Nursing Elective Classes for prerequisites.		
Total Nursing credit hours for BSN Completion - 31 credit hours					

ADDITIONAL INFORMATION:

***APPROVED NURSING ELECTIVE HOURS: 5 Credits**

The BSN degree requires 5 credit hours of approved Nursing Elective credit hours.

All or at least 2 credit hours of the required 5 Nursing Elective credit hours must be upper division nursing classes from the Approved Nursing Elective Classes List. If needed, other Nursing Elective credit hours may be taken from the Approved Non-Nursing Classes List.

****For Approved Nursing Elective Classes List see** www.uvu.edu/nursing

toggle over student resources tab, select Approved Nursing Electives, or look at Wolverine Track.

NURS 490R Special Topics in Nursing - limit of 4 credit hours can be applied toward elective hours.

NURS 495R Independent Study in Nursing - limit of 3 credit hours can be applied toward elective hours.

NURS 4540 Research & Theory in Nursing Practice

Prerequisite of a univeristy-level statistics course with a C grade or higher.

NURS 4325 Nursing in the Community Clinical

This class must be taken concurrently with NURS 4320; both classes need to be online or both in-person

NURS 4325 Nursing in the Community Clinical requires 45 hours of community service which may include working in a community-based nursing setting, engaging in a community teaching project, and providing community service of the student's choice with instructor approval.

These clinical hours must be completed while registered for NURS 4320 & 4325, not before or after.

Clinical faculty members responsible for the course will make arrangements for clinical assignments for students. Specific details about the clinical hours needed and any questions regarding the NURS 4325 clinical course requirements should be directed to the clinical faculty responsible for the course.

Until matriculated in BSN completion program, all requirements are subject to change without notice or obligation. Responsibility for statisfying all requirements rests upon the student.

Students should use Wolverine Track to monitor their graduation requirements.
