

## MTECH-LPN to Associate in Science (ASN) in Nursing with BSN Completion

### *Program Outline for Fall 2024*

REQUIRED PREREQUISITES (must complete missing prerequisites 1 <sup>st</sup> semester at UVU)						
ENGL 1005 or ENGL 1010	Literacies & Comp. Across Context or Introduction to Writing	5 or 3		Math Quantitative Literacy (QL)	UVU Quantitative Literacy Equivalent (The additional statistics course required for BSN cannot be used to fill this requirement.)	3
BIOL 1610	College Biology	4		ZOOL 2320	Human Anatomy	3
CHEM 1110	Elementary Chemistry	4		ZOOL 2325	Human Anatomy Lab	1
PSY 1100	Human Development Life Span	3		ZOOL 2420	Human Physiology	3
NUTR 1020	Foundations of Human Nutrition	3		ZOOL 2425	Human Physiology Lab	1

## ASN CURRICULUM OUTLINE

A final grade of a B- or higher is required in all courses.

LPN Experiential Credits			.PN Experiential Credits		
NURS 2300	Nursing Health Assessment	2	NURS 2410	Nursing Common Health Needs	3
NURS 2305	Nursing Health Assessment Lab	1	NURS 2420	Care of Aging Population	2
NURS 2310	Nursing Pharmacology	3	NURS 2430	Mental Health Nursing	2
NURS 2320	Fundamentals of Nursing	2	NURS 2435	Mental Health Nursing Clinical	1
NURS 2325	Sim Lab I	2	NURS 3340	Women, Children, and Developing Families	3
			NURS 3345	Women, Children, and Developing Families Clinical	1
				<b>ASN Credits awarded for LPN</b>	<b>22</b>
NURSING 3rd Semester			NURSING 4th Semester		
NURS 2210	Practical Nurse to Registered Nurse	1	NURS 3400	Patient Care Coordination & Mgmt	1
NURS 3330	Complex Health Needs	2	NURS 3405	Patient Care Preceptorship	2
NURS 3365	LPN Sim/Lab/Clinical	5	NURS 3440	Pharmacology for the Practicing Nurse	2
			NURS 3445	Sim Lab IV	1
MICR 2060	Microbiology (must be completed before the end of 4th semester)	3			
MICR 2065	Microbiology Lab (must be completed before the end of 4th semester)	1	ENGL 2010	Intermediate Writing	3
	<b>ASN Sem Credits</b>	<b>8</b>		<b>ASN Sem Credits</b>	<b>6</b>
	<i>(ASN &amp; MICR Sem Credits)</i>	<i>(12)</i>		<i>(ASN &amp; GE Sem Credits)</i>	<i>(9)</i>

## BSN Completion Curriculum Outline

Seamless transition into the BSN Completion program is only an option after graduating from the UVU ASN program and receiving an RN license.

*Registration after one semester of BSN nursing courses is contingent upon having received an RN license.*

<b>UVU GE Courses for BSN</b>						
(Can be taken before starting the BSN program)						
	American Institutions	3		PHIL 2050/205G	Ethics and Values	3
	Fine Arts	3			Humanities	3
<b>Required Non-nursing Courses for BSN</b>						
(Can be taken before starting the BSN program)						
ZOOL 4400	Pathophysiology  (BSN requirement but highly recommended for ASN students.)	4		PSY 3110, MGMT 2340, STAT 1040 or 1045	University-level statistics  (BSN requirement. PSY 3110, MGMT 2340, STAT 1040 or 1045 will qualify. Stats course cannot be used for General Education QL requirement.)	3 or 4
<b>Required BSN Nursing Courses</b>						
BSN nursing courses can be taken in any order. See UVU Catalog for prerequisites.						
NURS 4230	Palliative Care in Nursing	3		NURS 4510	Clinical Assessment & Reasoning	2
NURS 4320	Nursing in the Community	2		NURS 4520	Navigating Healthcare Systems	3
NURS 4325	Nursing in the Community Clinical	1		NURS 4540	Research & Theory in Nursing Practice (Prerequisite: University-level statistics course)	4
NURS 4340	Genomics in Nursing Health	2		NURS 4550	Quality & Safety in Nursing	3
NURS 441G	Nursing in the Global Perspective	3			*Advisor-approved NURS Elective Credits	5
NURS 4500	Nursing Leadership	3				
Total nursing credit hours for BSN Completion: 31				GE credits: 36	Nursing credits: 84	Total credits: 120

### **ADDITIONAL INFORMATION**

BSN Completion program courses can be taken in any order, full or part-time, hybrid or online. A grade of C or better is required to pass BSN core classes. Students should use Wolverine Track to monitor their progress toward graduation. Until admitted into the BSN Completion program, requirements are subject to change without notice or obligation.

\*At least 2 of the required 5 Nursing Elective credit hours must be upper division nursing classes from the Approved Nursing Elective Classes List. If needed, other Nursing Elective credit hours may be taken from the Approved Non-Nursing Classes List. For the Approved Nursing Elective Classes List, see [www.uvu.edu/nursing](http://www.uvu.edu/nursing); select Student Resources tab → Approved Electives, or consult Wolverine Track.

### **COURSE-SPECIFIC INFORMATION**

**NURS 490R** Special Topics in Nursing: A limit of 4 credit hours can be applied toward total elective hours.

**NURS 495R** Independent Study in Nursing: A limit of 3 credit hours can be applied toward elective hours.

**NURS 4325** Nursing in the Community Clinical: Must be taken concurrently with NURS 4320. NURS 4325 requires 45 hours of community clinical time, which may involve a community-based nursing setting, engaging in a community teaching project, and/or providing community service of the student's choice with instructor approval. Clinical hours must be completed while registered for NURS 4320 and 4325, not before or after. Clinical faculty will make arrangements for clinical placements. Questions regarding NURS 4325 requirements should be directed to clinical faculty.
