

## BSN Completion (RN-BSN)

### *Program Outline for Spring 26 Entry*

#### REQUIRED PREREQUISITES (Must be completed before applying to the Nursing program). A final grade of a C or higher is required in all classes except GE Math Quantitative Literacy (QL)

ENGH 1005 or ENGL 1010	Lit & Comp Across Context or Intro to Academic Writing	5 or 3		ZOOL 2320 & 2325	Human Anatomy and Lab	4
Math Quantitative Literacy (QL)	UVU Quantitative Literacy Equivalent (*Not stats required for BSN)	3		MICR 2060 & 2065	Microbiology & Lab	4
PSY 1100	Human Development Life Span	3		ZOOL 2420 & 2425	Human Physiology & Lab	4
CHEM 1110	Elem Chemistry	4		ASN Complete	Associate of Science in Nursing	
				RN Complete	RN Licensure	

#### GENERAL EDUCATION REQUIREMENTS (It is strongly suggested students complete all GE requirements prior to starting the Nursing program. Officially transferring an AS degree may fill some of these requirements.)

	American Institutions	3			Personal, Professional, and Civic Growth	3
	Humanities	3		BIOL 1610	College Biology I	4
	Fine Arts	3		UD Credits	Upper Division Credits: A minimum of 40 upper division credit hours are required to graduate. BSN credits alone will not satisfy this requirement. Courses number 3000 or higher are considered upper division credits.	40
ENGL 2010	Intermediate Writing	3				

#### NON-NURSING BSN DEGREE REQUIREMENTS (These classes can be taken prior to entry in the program. Final grade of C or higher is required.)

ZOOL 4400 or ZOOL 2600	Pathophysiology	4		NUTR 1020	Foundations of Human Nutrition	3
Univ. Level Stats	PSY 3100, MGMT 2340, STAT 1040 OR STAT 1045					

### BSN Completion Curriculum Outline

Classes can be taken in any order, and students can attend full or part time. Acceptance to UVU is required. Apply to UVU at <https://www.uvu.edu/admissions/>. Students must meet both requirements for UVU and the Department of Nursing to qualify for graduation with a BSN. Students not in the UVU Nursing program will also need to apply to the UVU RN-BSN Nursing Program. For UVU RN-BSN Nursing application information see: <https://www.uvu.edu/nursing/degrees/bsn.html>.

Seamless transition into BSN completion courses is only an option after graduating from the UVU ASN program and receiving an RN license. Registration after one semester of BSN nursing courses will be contingent upon having received an RN license. BSN completion program classes can be taken in any order, full or part-time, and online or face-to-face. A grade of C or better is required in each BSN core class. *Only classes indicated below can be taken before ASN graduation.*

NURSING classes can be taken in any order, full or part-time. Final grade of C or higher required in all class					
Course	Title	Credit Hours	Course	Title	Credit Hours
NURS 4320	Nursing in the Community	2	NURS 4510	Clinical Assessment & Reasoning	2
NURS 4325	Nursing in the Community Clinical (see back page)	1	NURS 4520	Navigating Health Systems	3
NURS 4230	Palliative Care in Nursing	3	NURS 4540	Research & Theory in Nursing Practice (prerequisite of	4
NURS 4340	Genomics in Nursing & Health	2	NURS 4550	Quality & Safety in Nursing	3
NURS 441G	Nursing in Global Perspective	3	_____	Approved Nursing Elective Credits*	5
NURS 4500	Nursing Leadership	3			
<i>Total Nursing credit hours for BSN completion = 31 credit hours</i>			<i>GE Credits: 36 + Nursing Credits: 85 = Total BSN credit hours: 121</i>		

**ADDITIONAL INFORMATION:**

**\*APPROVED NURSING ELECTIVE HOURS: 5 Credits**

The BSN degree requires 5 credit hours of approved Nursing Elective credit hours.

All or at least 2 credit hours of the required 5 Nursing Elective credit hours must be upper division nursing classes from the Approved Nursing Elective Classes List. If needed, other Nursing Elective credit hours may be taken from the Approved Non-Nursing Classes List.

\*\*For Approved Nursing Elective Classes List see [www.uvu.edu/nursing](http://www.uvu.edu/nursing) toggle over student resources tab, select Approved Nursing Electives, or look at Wolverine Track.

**NURS 490R Special Topics in Nursing** - limit of 4 credit hours can be applied toward elective hours.

**NURS 495R Independent Study in Nursing** - limit of 3 credit hours can be applied toward elective hours.

**NURS 4540 Research & Theory in Nursing Practice**

Prerequisite of a university-level statistics course with a C grade or higher.

**NURS 4325 Nursing in the Community Clinical**

This class must be taken concurrently with NURS 4320; both classes are online. NURS 4325 Nursing in the Community Clinical requires 45 hours of community service, which may include working in a community-based nursing setting, engaging in a community teaching project, and providing community service of the student's choice with instructor approval. These clinical hours must be completed while registered for NURS 4320 & 4325, not before or after. Specific details about the clinical hours needed and any questions regarding the NURS 4325 clinical course requirements should be directed to the clinical faculty responsible for the course.

Until matriculated in BSN completion program, all requirements are subject to change without notice or obligation.

Responsibility for satisfying all requirements rests upon the student. Students should use Wolverine Track to monitor their graduation requirements.
