

2019-2020 SCHOLARSHIP PACKET

DUE APRIL 16, 2019, 5 p.m., SL216

Dear Applicant,

Thank you for your interest in the scholarship with the Outdoor Adventure Center at Utah Valley University. We are excited to work with new and energetic student leaders. The success of our program is directly related to the effort of our Adventure Trip Leaders (ATL's) and employees. You will be playing a vital role in our programming for Fall 2019 and Spring 2020 semesters. You will not only receive an incredible experience; but also valuable leadership, social, and recreational opportunities.

Our mission is to actively engage the Utah Valley University students, staff, faculty, and community in experiential education by organizing and facilitating direct experiences that lead to meaningful, long-lasting learning.

Experiential Education takes the student out of the classroom and into the community providing a bridge to transfer intellectual skills into practical skills. With this in mind, we are looking for applicants with experience leading outdoor adventures, social responsibility, communication, creative thinking and decision making skills, and the ability to professionally interact with other students, staff and faculty both on and off campus.

As a scholarship trip leader; you will be responsible for planning, preparing, marketing, budgeting, leading, and evaluating adventure outings and events for UVU students, staff and faculty, and community.

We appreciate your time in filling out the application. Please attach a resume, and a paragraph stating why you are applying for the scholarship.

Thanks, Good Luck!
