The First Semester Certificate in Art and Design is designed as your first step toward pursuing a degree in Art and Design. The program focuses on the foundational skills used in the field of Art and Design; successful completion of courses can lead to other degree goals and employment opportunities.

HIGH SCHOOL

If you want to begin classes while in high school, make an appointment with a concurrent enrollment academic advisor early to plan for classes in an appropriate order based on availability at your high school and to discuss prerequisites.

The First Semester Certificate may be completed in high school through the concurrent enrollment program, completed as an undergraduate on campus, or a combination of both. Once complete, the First Semester Certificate can be stacked with other courses to earn a Certificate of Completion, Associate's or Bachelor degree.

GRADE REQUIREMENTS

Students need to pass Art and Design courses with a B- or higher to matriculate into the next program (portfolio reviews are also required for admission to some Art & Design associate and bachelor's programs). Students are required to submit a graduating portfolio upon certificate completion.
