The First Semester Certificate in Public and Community Health is designed as your first step toward pursuing a degree in Public and Community Health. The program focuses on the foundational skills used in the field of Public and Community Health and as you successfully complete courses it can lead to other degree goals and employment opportunities.

The First Semester Certificate may be completed in high school through the concurrent enrollment program, completed as an undergraduate on campus, or a combination of both. Once complete, the First Semester Certificate can be stacked with other courses to earn an Associate or Bachelor degree.

COLLEGE CERTIFICATE EARNED IN HIGH SCHOOL

HIGH SCHOOL

If you want to begin classes while in high school, make an appointment with a concurrent enrollment academic advisor early to plan for classes in an appropriate order based on availability at your high school and to discuss prerequisites.

GRADE REQUIREMENTS

Students need to pass Community Health courses with a C+ or higher to matriculate into next program.
