The First Semester Certificate in Health is designed as your first step toward pursuing a degree in the Health field. The program focuses on the foundational skills used in the broad field of Health careers and as you successfully complete courses, it can help lead to other degree goals and employment opportunities.

The First Semester Certificate may be completed in high school through the concurrent enrollment program, completed as an undergraduate on campus, or a combination of both. Once complete, the First Semester Certificate can be stacked with other courses to earn a Certificate of Completion, Associate or Bachelor degree.
