- Cultural Envoy
- Other
Scholarships

- 9 full (in-state) scholarships to support the efforts put forth by the members of the newly formed Multicultural Student Council.

- Eventually 16 members will compose this council.

$45,774 base
Operating Budget

- Covers expenses for Multicultural Student Council programming and activities planned in conjunction with UVUSA and other organizations around campus.

$10,000 base
Space

The future space that we are proposing.
Space

- Currently the Multicultural Student Council has no designated office for council members; furthermore, the International Student Council is designated to one office room for all 15 council members.

- Student Affairs is requesting that the Multicultural Student Council and the International Student Council to have a space for offices for their leadership councils.

- The proposed space is what was formerly known as the "Fishbowl" which currently houses the computer rental program. This space is in the WB concourse and is next to the future Center for Global and Intercultural Engagement.

- Having space allocated for these two leadership groups is crucial for their success. It is also important to allow them to have space near the Center for Global and Intercultural Engagement for collaboration purposes.

- The computer rental program has agreed to relocate to another space identified in the Sorenson Student Center that is becoming available when the Student Life and Wellness Center comes online.
