GUIDEBOOK

“Welcome to UVU! We are thrilled that you have joined our family of gritty wolverines.

As individuals charged with helping students succeed, we are committed to creating a campus environment that is founded on exceptional care, exceptional accountability, and exceptional results. As you learn more about our university, I hope you will see that we are living and applying these values every single day. You could not have chosen a more exciting time to join UVU. I look forward to building a bright future for this university together with you!”

- President Astrid Tuminez

This guidebook is your guide to all things UVU. We know job transitions come with questions, concerns, and a steep learning curve, and it is our goal to make your transition as smooth as possible. This book is designed to help in your transition and it does not create any additional different rights or duties of a substantive policy or procedural nature. You can also contact your department admin, department chair, or faculty mentor for additional information.

Your Faculty Guidebook is laid out in chronological order to prevent you from getting overwhelmed. Do not feel as though you need to read the entire book right away. Get started with the “After Acceptance” section, and gradually make your way through this UVU road map.

After the Table of Contents you will find your New Faculty Checklist; make sure to read this thoroughly and complete it in a timely manner to assure a smooth transition into UVU employment.

If you are viewing this on an electronic device, all of the green links will lead to external websites or other pages in the guidebook. The page titles in the Table of Contents are also linked to their respective pages.

We are excited to have you join our team. Feel free to contact People and Culture (HF 105) at 801.863.8207 with any questions.

Sincerely,

Utah Valley University People and Culture

Our Mission

Utah Valley University is an integrated university and community college that educates every student for success in work and life through excellence in engaged teaching, services, and scholarship.

Our Values

Exceptional Care

We invite people to “come as you are” and let them know that “UVU has a place for you.” Care means that we strive always to “see” the person in front of us – their strengths and weaknesses, struggles and triumphs, past and potential, and inherent dignity and worth. This does not mean that we set low expectations or make excuses for poor efforts. Instead, our commitment to exceptional care means that we set the bar high and provide challenging, honest conversations and feedback because we are deeply invested in seeing every member of our community succeed.

Exceptional Accountability

We are strongly committed to working ethically and effectively. We approach each situation from a position of integrity, knowing that everything we do can help or hinder a positive student experience. We honor the resources and mandates we have been entrusted with and strive always to do our best with what is under our control. We respect each member of our community, seek to understand and fulfill our responsibilities, and recognize both individual and collective successes.

Exceptional Results

We are committed to creating opportunity systematically for as many people as possible. Our engaged curricula, programs, and partnerships address the intellectual and practical needs of our service area and the larger community. We seek to prepare our students to thrive in a rapidly changing economy and an interdependent, complex world. We aspire to greatness in all that we do, while also measuring progress against rigorous metrics that show our students are becoming competent and ethical professionals, lifelong learners, and engaged citizens.

Our Action Commitments

Student Success

Student Success is the essence of UVU's mission and the focus of the mission statement. Action commitments identify thematic areas of activity that lead toward fulfillment of the mission. Our History

Throughout its history, UVU has responded to its service region's (Utah, Wasatch and Summit counties) population changes and business/industry needs. This responsiveness is evidenced in its mission, program offering, degree level, and enrollment changes. Over the years, our school has changed names and missions in the following ways:

Central Utah Vocational School

Utah Valley University was established in 1941 as Central Utah Vocational School (CUVS) with the primary function of providing war production training.

Utah Technical College at Provo

The name again changed in 1967 to Utah Technical College at Provo. Through the next two decades, the institution was approved to grant Associate of Applied Science, Art, and Science degrees.

Utah Trade Technical Institute

In 1963, the school's name was changed to Utah Trade Technical Institute to reflect its growing role in technical training.

Utah Valley Community College

With its expanded degree offerings, the institution's name changed again to Utah Valley Community College in 1987.

Utah Valley State College

In 1993, the institution's name changed to Utah Valley State College and the mission was expanded to include the offering of bachelor's degrees.

Utah Valley University

On July 1, 2008, the institution underwent another mission and name change to Utah Valley University and began offering some master's degree programs.

Our Leadership

President

Dr. Astrid S. Tuminez

Dr. Astrid S. Tuminez was appointed the seventh president of Utah Valley University in 2018, and is the institution's first female president. Tuminez brings to UVU a broad and rich experience in academia, philanthropy, technology, and business. Born in a farming village in the Philippine province of Iloilo, Tuminez moved with her parents and six siblings to the slums of Iloilo City when she was two years old, her parents seeking better educational opportunities for their children.

Her pursuit of education eventually took her to the United States. She earned a master's degree from Harvard University in Soviet Studies and a Ph.D. from the Massachusetts Institute of Technology in political science.

Before assuming her current position, President Tuminez was a world leader in the fields of technology and political science, most recently serving as an executive at Microsoft, where she led corporate, external and legal affairs in Southeast Asia.

For more information on President Tuminez's President's Council visit [UVU's Administration website.](#)

After Acceptance

UVID and I-9

What's a UVID?

An eight-digit ID number that will act as your personal identifier and will give you access to myUVU (UVU's web portal for employees), create your employee email, clock you in and out of work (if applicable), allow you to acquire your UVID card, and award discounts and benefits.

You will want to memorize this number.

Because this number is crucial to so many things, and cannot be assigned until I-9 completion, we stress the importance of completing your I-9 as soon as possible.

What's an I-9?

Form I-9 is required by federal law. It is used for verifying the identity and employment authorization of individuals hired for employment in the United States.

There is an online section of the I-9, as well as an in-person section that requires specific documents. For acceptable documents visit the [U.S. Citizenship and Immigration Services website](#). You will need to bring these documents to the UVU People & Culture office (HF 105) before your start date.

Campus Map

UVU is committed to providing an efficient, beautiful, and safe environment for both employees and students to learn and work in. In addition to our main Orem Campus, we have the Culinary Arts Institute, UVU Museum of Art, Wasatch Campus, and Capitol Reef Field Station. We also have facilities in and partnerships with Eagle Mountain, Salem, Santaquin, Spanish Fork, Vineyard, the Provo Airport, and Thanksgiving Point. Employee Parking Permits

All full-time and adjunct faculty may register for a free Employee Parking Permit. They can park in Employee Parking Lots (Green) and Student Lots (Yellow).

Visitor/Paid Parking Permits

These lots can be found by the UCCU, LC, SLWC, and BA buildings. They are purchased on location at parking kiosks or using the Park Mobile app. Pay stations take credit cards and cash. \$1 per hour for students, employees, and visitors.

ADA, Bicycle, EV, and Motorcycle Parking are also available. Visit [UVU's parking website](#) for interactive maps and more information.

Hours: Parking Services does not require parking permits in employee, student, or purple lots on weekdays after 5 p.m., or on Saturdays and Sundays. Pay lots require payment from 5 a.m. through 10 p.m. seven days a week.

Renewal: Full-time employees must renew their parking permits annually. Part-time employees will need to renew their parking permit each semester, including summer.

Number of Vehicles: Employees may register up to three vehicles to their account. Only one of these vehicles may be on campus at a time.

Transportation

One of the perks of being a UVU employee is that your UVID card can be activated for the UTA Transit System for free! You will have access to:

UTA Buses: A bus system with routes throughout Salt Lake, Utah, and Davis counties.

TRAX: A train system with 3 lines. Connects to FrontRunner, the Salt Lake Airport, and multiple cities throughout Salt Lake Valley.

FrontRunner: A train system with 15 stations stretching from Ogden to Provo. The Orem station is a seven-minute bus ride from UVU.

UVX: A bus system that runs through Orem and Provo. Its route connects Orem and Provo stations with 18 stops, including one at UVU.

Plan your trip on [UTA's website](https://www.uta.com).

For questions about your UTA pass, contact Campus Connection (SC 106f) at (801)-863-8797.

Benefits

Utah Valley University understands that the benefits provided support you and your family's health and well-being and are an important part of your overall compensation. UVU is pleased to offer a comprehensive array of quality benefits created to protect you, your family, and your income in the case of unforeseen illness and life events, as well as assist in building financial security for retirement.

The following pages give a basic overview of the health insurance plans UVU offers as well as additional benefits such as retirement, life insurance, leave, and tuition waivers. A more in-depth overview of benefits will be provided at your New Employee Benefits Orientation. This orientation will be your opportunity to hear about the benefits offered, learn how to complete the online enrollment process, and ask any questions you may have.

Prior to New Employee Benefits Orientation, you can view the UVU Benefits Guide and learn more about Leave, the UVUFit Employee Wellness Program, the Employee Assistance Program, and other voluntary benefits by visiting our [People and Culture website](#).

The following employees are eligible for UVU's benefits:

You are eligible for health insurance coverage and additional benefits if you work at least 130 hours per month (30 hours per week) in a 12-month measurement period. If you enroll yourself in one of the offered plans, you may also enroll your eligible dependents, which include:

1. Your legally married spouse.
2. Your children (including your natural children, stepchildren, adopted children, or children for whom you have legal custody) up to age 26. Married children under age 26 may be covered, however, the plan will not cover their spouse or dependents.
3. Disabled children age 26 or older, who meet certain criteria, **may** qualify for continued health insurance coverage with supporting documentation which must be approved prior to aging off the plan.

Your health insurance coverage begins the first day of the month following your date of hire, unless your employment date meets one of the following requirements:

1. Falls on the first calendar day of the month.
2. Falls on the first working day of the month (i.e., if Saturday is the 1st, Monday the 3rd would be the first working day).

For the above examples, coverage would begin immediately as of the first day of the current month. You will have 31 days from your benefits-eligible date to elect coverage. Failure to enroll will result in an automatic waiver of benefits through the next open enrollment period or a qualified event.

Benefits Cont.

UVU is proud to offer you the following health insurance options to choose from:

Medical insurance through Regence BlueCross BlueShield: UVU offers two medical plans to choose from; a Traditional plan and a High Deductible Health Plan. Within each of these two plans, UVU offers two separate network options: the Participating (PAR) Network and the Preferred ValueCare (PVC) Network.

Prescription benefit administered through Magellan Rx: Employees who elect one of the medical plans will automatically be enrolled in the prescription benefit administered by Magellan Rx.

Dental insurance through EMI Health: The Premier Indemnity dental plan allows a maximum benefit of \$2,000 per year, per covered individual.

Vision insurance through UHC Vision: The supplemental vision plan helps cover the cost of materials (frames, lenses, and contacts) and provides an annual routine eye exam with a \$15 co-pay. Please note that the medical plan also covers an annual routine eye exam, covered at 100% within the Regence BlueCross BlueShield network.

Tax Advantage Plans administered by WageWorks and Health Equity:

Flexible Spending Accounts (FSA): An FSA is an option for employees who elect a Traditional health plan and want to set aside a portion of their income on a pre-tax basis to pay for “qualified health-related expenses”. Funds contributed to the FSA must be used within the plan year or they will be lost.

Dependent Care Flexible Spending Accounts (DCFSA): The Dependent Care FSA is for employees who want the pre-tax savings for eligible dependent care expenses, including child day care and custodial elder care. Funds contributed to the DCFSA must be used within the plan year or they will be lost.

Health Savings Account (HSA): To elect an HSA, an employee must be enrolled in UVU’s High-Deductible Health Plan. The HSA is a special savings account that allows employees to set aside a portion of their income on a pre-tax basis to pay for “qualified health-related expenses”. Unlike the FSA, the HSA allows you to roll the funds in your account from year to year.

Retirement investment options through TIAA, Fidelity Investments, or URS: Full-time, benefits-eligible employees will be enrolled in a 401(a) Defined Contribution Plan with a contribution of 14.2% based on the employee’s compensation. Employees have the investment option through TIAA and/or Fidelity Investments and are 100% vested from their first day of employment.

Employees who have participated in Utah Retirement Systems (URS) in the past and wish to remain in URS may do so. Please contact the HR Service Center at (801)-863-8207 for more information.

UVU employer paid Life, AD&D, and LTD: UVU provides all full-time, benefits-eligible employees with a Basic Life and Accidental Death and Dismemberment (AD&D) insurance policy at no cost. In addition, Voluntary Life and Voluntary Accidental Death and Dismemberment (AD&D) insurance can be elected for employees, their spouses, and their unmarried dependent children, up to age 26, for an additional cost to the employee. UVU also provides all full-time, benefit-eligible employees with Long-Term Disability Insurance (LTD) and Workers Compensation Insurance at no cost.

Types of Leave

UVU provides full-time, benefit-eligible employees with a generous leave package including sick and personal leave, as well as 12 paid holidays.

To check and/or use your sick and personal leave:

- 1 Sign in to myUVU with your UVID and password ([see page 18](#))
- 2 Click on your “Employee Resources ” tab
- 3 Click on “TIMS Time and Leave Entry”
- 4 Click on “My Leave”
- 5 Submit a Leave Request any time you plan on using any type of leave

Sick Leave

Sick leave may be used for the illness or preventive care of the employee or for immediate family members.

Full-time Faculty: Accrue sick leave at the rate of one day (7 hours) for each full calendar month served.

Part-time Faculty: Do not accrue sick leave.

All unused days may be carried forward from one year to the next.

An employee may not use his or her sick leave longer than five months without applying for Long-term Disability and Social Security Disability.

Personal Leave

Personal Leave can be used for any reason. The assumption of personal leave is that the faculty member should arrange, but not pay for, appropriate coverage of classes missed as a result of them taking personal leave.

Full-time Faculty: Faculty members have available 1.5 days of personal leave for each full academic semester worked (21 hours) per fiscal year and a proportional allocation for summer term.

Part-time Faculty: Do not receive personal leave.

Other Leave

Other leave options provided include: Medical, Maternity, Parental, Funeral, Military, Jury Duty, Family Medical Leave Act (FMLA), and Faculty Sabbatical Leave.

For more leave details, see the [Leave of Absence Policy](#) (Policy 361).

Tuition Remission

UVU provides eligible employees and their dependents opportunities for continual educational development through the use of undergraduate tuition and fee waivers. Please read the [Tuition Remission Policy](#) (Policy 357) in depth.

UVU offers a tuition remission for eligible full-time employees. The tuition remission waives up to 18 undergraduate credit hours per semester for full-time employees and their dependents (unmarried, never married, under age 26).

For questions about Utah residency, visit the Admissions Office (BA 006).

If you are part-time faculty, the number of credits you may receive tuition remission for is dependent on the number of credits you teach.

Refer to Policy 357: Employee Tuition Remission.

Eligible tuition waivers can be submitted on the Tuition Waiver page of myUVU (page 18) (myUVU > Employees > People and Culture > Benefit Service Center > Tuition Waiver) on or after the following dates:

FALL: JULY 15TH

SPRING: NOV 15TH

SUMMER: APRIL 15TH

As an employee, you will still need to apply and be accepted to UVU. UVU is an open enrollment institution. Visit the [UVU Admissions web page](#) to apply.

For questions, contact the Admissions office at 801.863.8706.

Mental Health Resources

Life is full of challenges and sometimes balancing them is difficult. Utah Valley University is proud to provide a confidential program dedicated to supporting the emotional health and well-being of our employees and their families. The Employee Assistance Program (EAP) is provided at NO COST to full-time and part-time employees and covered dependents.

Instructional Preparation

Your Class Schedule and Roster

1. Log in to myUVU with your UVID and password ([see page 18](#))
2. Under the tab “Faculty”, click on “My classes”
3. Here you can view your “Schedule” as well as your “Roster” (as photos of the students or as a downloadable list)
*Note, if students add/drop you will not receive a notice, but this site will have the most up-to-date list.

To view other classes besides your current semester or with you as an instructor, you can also go to my.uvu.edu and under the “Faculty Resources” tab, click on “Banner Faculty Services.” Then click on “Faculty Schedule” and be sure to include the necessary semester and other information in the drop-down windows to see the rest of the course offerings and enrollment numbers.

Office of Teaching and Learning (OTL)

1. Go to [OTL's website](#)
2. Click on the “Faculty” tab
3. Select “Faculty Resources”

Offers workshops, seminars, and full classes for faculty to learn/improve teaching skills, learn to use learning management systems (Canvas), and develop online courses, etc. OTL also offers videos to share with students to help them develop things like video recordings for submission on assignments or projects.

Faculty Development

Provides faculty onboarding through the All Aboard faculty orientation and teaching conferences. Faculty Development also arranges for peers or students to observe and give feedback formally or informally to you as an instructor on your teaching, syllabus, or course content.

Canvas

1. Login to myUVU with your UVID and password
2. Click on the circle icon at the top of the page

This learning management system is automatically populated with the classes you will be teaching each semester and with the students currently enrolled. You can use it to obtain, display, and share information with your students. There are many options within the system and OTL offers classes to help you learn to use and navigate Canvas and its options.

Canvas also has an “inbox” system that does not go to your Outlook, but stays within the Canvas system, so please do not use this for emailing content to students that you wish them to see outside of the specific course and semester.

The course content set up in Canvas can be transferred as a whole package to other instructors or other semesters. Any specific student information (names, grades, etc.) is not transferable and cannot be changed after the semester closes. Videos and content in Canvas can be viewed and edited by the creator or owner (likely you as the instructor) anytime even after the course has ended.

Instructional Preparation

Courseleaf

1. Log in to myJVVU with your UVID and password
2. Select the “Faculty Services” tab
3. Click on “Curriculum Management”

The current catalog of classes in your program are listed and described within Courseleaf. In here you can search for your course by its program acronym and number. The course description and objectives are listed in there, which is expected to be covered by each course offered.

Microsoft Teams

All livestreaming courses are automatically set up with a MS Teams class. This Teams class will automatically be populated with the students currently enrolled in the course as “members”. If you have a different course delivery and still want to set up a class MS Teams, you can do so through Canvas and it will also populate the Team with your class roster.

You can start a livestreaming course session by clicking “Meet” in the upper right-hand corner. There are several options and features within MS Teams that you can learn about with an OTL course or videos.

It is encouraged that after starting a class session (after clicking “Meet”) that you also go into the settings and “Record” the session so any students who miss or want to review the lecture can go back and watch it at a later date.

Please note that anything within a MS Team will only be accessible to the students while they are on the list of that Team as a member. Several options (like recorded videos) used within MS Teams are not easily transferable outside the class environment.

Textbooks

Textbooks are typically selected for the following semester by either October 1 or March 1 for spring or fall courses. Please work with your department or program administration to make sure your textbook order goes in the system or to verify which textbook is selected for your given course. Interactive textbooks (those linked directly with Canvas) must be approved earlier by several entities, so be sure to get those requests in sooner than the deadline.

Section Two

- Must have at least one uppercase letter
- Must have at least one lowercase letter
- Must not include part of your name

For help setting up your email on any electronic device go to [IT Service's web page](#).

All employees must use their UVU emails for all UVU Business.

To sign into your UVU email for the first time:

1. Log into myUVU ([see page 18](#))
2. Click into "Outlook.com" using the mail icon
3. Username is UVID@uvu.edu, and Password is your UVU Password

Your employee email is automatically generated as [UVID]@uvu.edu. You need to change your email address so that your UVID does not get sent to everyone when we send a mass email.

To change your outgoing email address:

1. Go to the [Email Address Utility](#)
2. Log in using your UVID and password
3. Click the "Change" button to the right of the address
4. Select the proxy address you wish to use
5. Click "Save Changes"
6. Log out

When a student becomes an employee, or an employee becomes a student, a second email account is created. In all cases, the UVU employee email account becomes the preferred email account for both UVU work-related and UVU student classwork/business-related emails.

For everyone in this situation, it is critical to check both email accounts regularly to avoid missing notifications.

UVUID Card and Keys

Your UVID Card will be your access card to many benefits on and off campus.

To get your UVID Card, go to Campus Connection (SC 109f) and bring the following:

- Your UVID number (see page 6)

UCCU has an on-campus branch, making depositing and withdrawing easier than ever. They also offer incentives for UVU employees who open accounts.

Building Access

Your Department Chair or admin will put in a request for you to obtain keys to your office, labs, and exterior doors (for days the campus might be closed). This may take a couple days to get approved. Some doors will require a physical fob or a digital app installed on your phone, you can have either but not both. Be sure the application for access states which version you request.

Other Systems

UVU uses many different systems depending on the department. This is not a complete list of every system used by UVU, but rather a list of the most common. Talk to your supervisor to receive training on the required systems for your department.
