Message from Chief Pedersen

The Annual Security Report is part of Utah Valley University’s (“UVU”) ongoing efforts to provide important information on campus security and safety. Thank you for taking the time to read this publication. Please share it with other members of the UVU community.

This report is designed to be a resource to inform the UVU community and others of current UVU policies, programs, resources, and available services designed for your safety. This report also lists certain crime statistics reported to the Utah Valley University Police Department (“UVUPD”). The statistics include crimes that occurred within geography defined by federal law, including on campus, in certain off-campus buildings, on property owned by UVU, and on public property within or adjacent to and accessible from campus.

UVUPD is committed to campus safety. We hope everyone on campus will take an active role in crime prevention. Persons and property will remain safer when a responsible, caring population reports suspicious and unlawful behavior to UVUPD. Crimes committed against our campus community members are taken seriously and will be investigated fully. UVUPD works closely with other law enforcement agencies to reduce crime and provide a safe campus environment.

This information is being provided in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Statistic Act (“Clery Act”), related federal safety laws, and UVU Policy 710 Clery Act Compliance. For further information or to obtain copies of this report, please contact the UVUPD:

Preparation of the Annual Security Report

The Annual Security Report is prepared with information provided by UVUPD, the Office of the Dean of Students, the Office of Equal Opportunity and Affirmative Action, the Center for Student Wellness, Emergency Management & Safety, Ethics Point, Campus Security Authorities, and numerous law enforcement agencies that provide services to Utah Valley University-controlled properties within their jurisdictions. This report covers UVU’s main Orem campus, Lehi Campus, Canyon Park Campus (Orem), Wasatch Campus (Heber City), Provo Campus, West Campus (Orem), and Capitol Reef Field Station in Capitol Reef National Park. It is prepared consistent with the Jeanne Clery Disclosure of Campus Security Policy and Campus Statistic Act ("Clery Act"), related federal safety laws, and UVU Policy 710 Clery Act: Campus Safety and Security.

Collecting Crime Reports and Statistics Procedures

The Clery Act requires universities to disclose statistics for reported Clery Act defined crimes ("Clery crimes” based on the following criteria:

1. where the Clery crimes occurred (must have occurred): (a) on campus. (b) on public property immediately adjacent to campus; or (c) in or on non-campus buildings or property owned or controlled by the university.

2. who the crimes were reported to.

3. the types of crimes that were reported; and

4. the year in which the crimes were reported.

UVUPD encourages members of the University community to use this report as a guide for safe practices on and off campus. This Annual Security Report may or may not reflect the actual number of crimes committed on campus as some victims elect not to report crime; however, it accurately represents the number of crimes reported to UVUPD, Campus Security Authorities (CSAs), local law enforcement, and other jurisdictions where the University owns or controls buildings or property.

UVUPD annually requests crime statistics from local law enforcement agencies for buildings and property it owns or controls; however, UVUPD has no access to information to verify the accuracy of statistics provided or not provided by outside law enforcement agencies.

All UVU students and employees receive an email that describes this report and provides the web address where the report may be found.
Each year, UVU also submits crime statistics for Clery crimes by type, location, and year to the U.S. Department of Education.

**Utah Valley University Police Department**

**Mission Statement**

The safety and well-being of students, faculty, and staff are a high priority at Utah Valley University.

Although the UVU campus is a relatively safe place, we are not immune to those problems that beset all urban citizens, including problems related to public safety and law enforcement.

The Utah Valley University Police Department (UVUPD), a police force fully accredited by the State of Utah, is charged with protecting the safety and property on the UVU campus. The full support and cooperation of the entire University community is required to allow for the pursuit of knowledge in a safe and secure environment.

**UVUPD Services**

UVU provides several important services to a diverse University community consisting of more than 40,000 students and supporting faculty and staff by providing 24-hour police patrol and security protection for the benefit of all University employees, students, and visitors, as well as properties at the Orem campus. UVUPD officers have the same full police powers and responsibilities as officers in other Utah law enforcement agencies.

All UVUPD officers are certified and trained. Each year they receive a minimum of 40 hours of in-service and specialized training in crime prevention and awareness, first aid, firearms, defensive tactics, legal updates, evidence gathering, traffic control and traffic accident investigation, follow-up on criminal and civil investigations, etc.
UVUPD: Jurisdiction and Authority

UVUPD officers are responsible for providing a full range of public safety services to the UVU community, including the handling of crime reports, investigations, traffic accidents, enforcement of laws regulating underage drinking, the use of controlled substances, weapons violations, and enforcement of all applicable state, county and local laws, and all other incidents such as medical and fire emergencies that require police assistance. UVUPD officers prepare and submit reports of incidents brought to their attention. As a courtesy, they share information on arrests and serious crimes with any law enforcement agency having a legitimate need to know.

The legal authority of UVUPD and its officers is granted under Section 53B-3-105 of the Utah Code:

1. Members of the police or security department of any college or university are appointed by the board.
2. Upon appointment, they are peace officers and have all the powers possessed by policemen in cities and by sheriffs, including the power to make arrests on view or on warrant of violation of state statutes and city or county ordinances.
3. Members of the police or security department of any college or university also have the power to enforce all rules and regulations promulgated by the board as related to the institution.

UVUPD: The Hub of Campus Safety

UVUPD encourages the prompt and accurate reporting of crimes by victims, witnesses, or any other persons having knowledge that a crime has been committed on our campus.

UVUPD Dispatch, which is in Gunther Trades Room 331, is staffed 24 hours a day, seven days a week, 365 days a year, and can be reached by calling (801) 863-5555 or, in an emergency, by calling 911.

Emergency telephones are in each elevator, the outside entrance to the Gunther Trades Building exiting to Parking Lot 27, and in the Student Center.
substation, located in Room SC 108 H, which, when activated, will automatically put you in direct contact with an offsite dispatcher contracted with the elevator company who will in turn relay the information to UVUPD.

Several patrol methods are used to secure and patrol UVU properties, including uniformed vehicle patrol, foot patrol, and plain clothes motorized and foot patrol.

The serial numbers of all vehicles, office equipment, and personal property stolen from UVU campuses are reported nationwide through the National Crime Information Center (NCIC).

**Daily Crime Log**

UVUPD maintains a daily crime log that records all criminal incidents and alleged criminal incidents to students, faculty, staff, and visitors. Crimes reported to UVUPD are added to the daily crime log. The daily crime log is in UVUPD’s office.

**Unfounded Crimes**

UVU is required to include in the web-based survey and the annual security report statistics for the total number of Clery crime reports that were “unfounded” and subsequently withheld from crime statistics during each of the three most recent calendar years.

For Clery Act purposes, the standard for unfounding a reported crime is very high. A crime may only be classified as unfounded after a full investigation by sworn or commissioned law enforcement personnel. A crime is considered unfounded for Clery Act purposes only if sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless.

Crime reports may be determined to be baseless only if the allegations reported did not meet the elements of the offense or were improperly classified as crimes in the first place. A reported crime may not be designated “unfounded” if no investigation was conducted or the investigation was not completed. Nor may a crime report be designated unfounded merely because the investigation failed to prove that the crime occurred — this would be an inconclusive or unsubstantiated investigation. As such, for Clery Act purposes, the determination to unfound a crime may be made only when the totality of available information specifically indicates that the report was false or baseless.
To count a crime as “unfounded” for Clery Act purposes, the reported crime must:

- Have been a Clery Act crime; was reported to have occurred on Clery Act geography; thoroughly investigated by sworn or commissioned law enforcement personnel; and found through investigation to be false or baseless, meaning that the crime did not occur and was never attempted.

**Collaboration and Assistance from Other Agencies**

UVUPD maintains verbal mutual aid agreements with other local, state, and federal law enforcement agencies as per Utah Code Section 76-8-707. These relationships allow UVUPD to coordinate investigative efforts, share information, and call upon these other agencies in the event an incident arises in which outside resources are required. UVUPD works in collaboration with local law enforcement for crimes reported during UVU programs, services, and activities that occur on non-campus locations. UVUPD also maintains access to multiple data bases containing local and nationwide criminal history data, police reports, vehicle and driver information, and other state and federal law enforcement information.

**CRIME REPORTING PROCEDURES - GENERAL INFORMATION**

Prompt reporting of crime or suspicious activity is key to ensuring a safe campus. We encourage all members of the UVU community at all campuses to promptly report crime as soon as possible to the UVUPD via the UVUPD website (uvu.edu/police) or by phone (801-863-5555). Calling campus police to secure the scene and ensure safety does not require a victim to press criminal charges.

Off-Campus Crime

If non-UVU law enforcement units notify UVUPD about an off-campus crime, students may be referred to the Director of Student Conduct and employees may be referred to Employment Services in Human Resources, or to the Office for Equal Opportunity/Title IX if sexual misconduct is involved, to determine whether UVU policy has been violated.

Confidential Police Reporting Procedures, Anonymity/Referrals to Other UVU Departments

Individuals who witness or are the victim of crime — but who wish to remain anonymous — may report the crime to UVUPD on a confidential basis. To do so, individuals should specifically request that they remain anonymous. The report ensures that the occurrence of the crime will be included in the University's Annual Security Report; assists UVUPD in determining if there is a pattern of crime regarding a particular location, method, or suspect; and enables UVUPD, in appropriate circumstances, to alert the campus community to potential dangers. Filing an anonymous report may, however, limit the ability of UVUPD to provide specific assistance or to investigate or solve a crime.

If a victim of sexual misconduct requests anonymity from UVUPD, UVUPD will refer the victim to the Title IX Coordinator or designee, who will determine whether the identity of the victim will remain confidential except in instances when the victim is a minor or vulnerable adult, or there is
imminent danger to the victim or others in the community. In such cases, identification to law enforcement is required for safety and protection.

Utah state law requires any person who has “reason to believe that a child has been subjected to abuse or neglect, or [observes] a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect” to immediately report the incident to the nearest peace officer, law enforcement agency, or applicable office of the state’s Division of Child and Family Services. Child abuse includes but is not limited to any of the following:

1) The endangerment of a child’s physical or mental health resulting from a non-accidental harm of a child.  
2) Threatened harm of a child.  
3) Sexual exploitation; or  
4) Sexual abuse.

Members of the University community who become aware of a danger to minors shall notify UVUPD, which will make the appropriate notifications to UVU’s Risk Manager and the appropriate home agency.

In instances when UVU is notified of a request for information, personally identifiable information contained in university records will remain protected and will not be accessible to the public. UVU Policy 162 *Title IX Sexual Harassment* and Policy 704 *Minors on Campus and at University-Sponsored Events* provide specific policy and procedure regarding minors. Individuals will be notified that approved requests for anonymity may limit the ability of UVU to pursue disciplinary or other appropriate university action or initiate no contact directives.

**Police Interaction with Individuals Who Have Mental Health Concerns**

Recognizing that addressing mental health issues properly is an important component of campus safety, UVUPD officers have received extensive training in working with those who have mental health issues. UVUPD officers work closely with Accessibility Services, Human Resources Accommodations, Wasatch Mental Health, and UVU Student Health Services. Those who disclose mental health issues are treated with respect and, when appropriate, referred to UVU resources such as Accessibility Services, Student Health Services, and/or the Title IX Coordinator.
Persons needing accommodations when working with UVUPD may request accommodations through:

**Students & Visitors:** Office of Accessibility Services  
**Phone:** 801.863.8747  
**Fax:** 801.863.8377

**Employees:** Employee Wellness Coordinator

UVU also offers confidential mental health services through Student Health Services located in the Sorensen Student Center Room SC221.  
[http://www.uvu.edu/studenthealth/] or 801-863-8876.

**Services include:** Medical, Psychological, Suicide Awareness & Prevention, Learning Disability Assessment, Psychiatric Services

**Referrals by UVUPD for Discipline under UVU Policies**

Incidents involving student or employee sexual misconduct that are investigated by UVUPD are reported to the UVU Title IX Office for any outreach, supportive measures, or institutional investigation required by law.

Incidents involving all other student misconduct that are investigated by UVUPD are referred to the Director of Student Conduct for education and/or investigation.

Examples of such referrals include:
- Consumption of alcohol by individuals on campus and/or under the age of 21.
- Illegal drug use (illegal drugs, illegal use of prescription or over-the-counter-medication); and violations involving weapons.

Students are subject to discipline through the Office of Student Conduct under UVU Policy 541, which can be viewed online via the UVU Policy Office website.

Incidents involving employee misconduct, other than sexual misconduct, may be referred to Human Resources for possible investigation and disciplinary action. Incidents involving faculty misconduct, other than sexual
misconduct, may be referred to Academic Affairs for possible investigation and disciplinary action.

ALCOHOL AND DRUGS ON CAMPUS

Policies & Standards of Conduct
UVU Policy 157 *Alcoholic Beverages, Unlawful Drugs, and Other Illegal Substances* and UVU Policy 324 *Drug-Free Workplace* together expressly prohibit employees from the possession, consumption, use, distribution and sale of alcoholic beverages, unlawful drugs, and other illegal substances on UVU premises or at any activity sponsored by UVU. Applicable Sanctions Under Law and UVU Policy
Individuals violating any municipal ordinances, state criminal laws, or federal laws relating to alcohol or drug use (including tobacco use) also are subject to substantial fines and criminal sanctions, including imprisonment.

Students, faculty, or staff who violate the drug and alcohol policies listed above will face disciplinary action up to expulsion or dismissal from employment and potential referral for prosecution. Disciplinary sanctions may include the completion of an appropriate rehabilitation program.

More detail about legal and institutional sanctions is available on UVU’s Drug & Alcohol Policy website at
[https://www.uvu.edu/wellness/docs/sanctions-new.pdf](https://www.uvu.edu/wellness/docs/sanctions-new.pdf) and in the
applicable disciplinary policy for students (UVU Policy 541), faculty (UVU Policy 648), and staff (UVU Policy 371).

*Health Risks*
Numerous health risks are associated with the use of illicit drugs and abuse of alcohol. A list of health impacts is provided on UVU’s Drug & Alcohol Policy website at
[https://www.uvu.edu/wellness/docs/drug_class_schedule_and_effects.pdf](https://www.uvu.edu/wellness/docs/drug_class_schedule_and_effects.pdf)

**EMERGENCY PLANNING AND PREPAREDNESS**

The UVU Emergency Operations Plan (EOP) identifies natural and human-made hazards that may impact the university community. The plan is an all-hazards approach that gives basic administrative guidance in coordinating and managing campus emergencies or disaster situations. The guidelines serve as the basis for effective response to hazards that threaten the campus. The EOP will also facilitate planning, response, and recovery activities. The EOP provides pertinent information for coordination with city, county, state, and federal government agencies during situations that necessitate activation of the EOP. The plan outlines a strategy to manage hazards and coordinate critical resources in response to emergencies.

**Campus Alerts**

Utah Valley University maintains a campus alert system capable of providing students and employees information about emergencies on campus such as criminal activity posing a threat, severe weather alerts, building closures, severe power outages, or gas leaks. The campus alert system comprises several components:

1. **Emergency Text Messaging** – Employees and students are signed up by default to receive emergency messages via text messaging.
2. **Web Alerts** – Emergency messages are also posted on the UVU home webpage. In response to the 2020 COVID-19 pandemic, UVU created a hazard-specific webpage containing continuously updated hazard data and safety resources. That COVID-19 page is linked from a prominently displayed banner on the UVU home page.

3. **Email Alerts** – Messages are posted via student and employee email systems.

4. **UVU App** – Push notifications through the UVU App can alert users to emergency messages.

5. **Push Notification System** – A system that pushes out messages on computers in classrooms and monitors in the hallways.

6. **Fire Alarm Systems** – All occupants of a building are required to evacuate upon the activation of a fire alarm system. Through the fire alarm, voice alerts as well as sirens can be activated and can be as specific as a particular building.

7. **Media Outlets** – UVU maintains communications with local media outlets to assist with mass notification of significant events that occur on UVU properties.

The UVU Director of Emergency Management and Safety and designated persons will test these procedures at least annually and document the information, including a description of the drill or exercise. This documentation will be kept with the Emergency Management and Safety Department.

UVU community members are encouraged to notify UVUPD of any situation or incident on campus that may pose an immediate or ongoing threat to the health and safety of students, faculty, and staff on campus. UVUPD has a responsibility to respond to such incidents to determine if the situation does in fact pose a threat to the community. If so, the *Clery Act* requires that the institution notify in a timely manner the campus community or the appropriate segments of the community that may be affected by the situation.

In the event of an incident that would require the larger community to be notified, information will be sent through the UVU website (www.uvu.info), Orem City Police dispatch, and/or local media if appropriate. University Relations will coordinate dissemination of information according to the Emergency Communications Plan.
**Timely Warnings: Notice of a Criminal Threat**

UVU will issue timely warnings of any criminal activity that represents a serious or ongoing threat to the safety of the campus community. The decision to issue a timely warning to the campus community will be made on a case-by-case basis. UVUPD can initiate a timely warning without prior approval of the President or vice presidents. UVUPD will make every effort to notify the President or designee as soon as possible. If the emergency requires campus to be closed and/or evacuated, the President, Provost, or designee will make the decision to do so. If there is an immediate threat to the health or safety of students or employees on campus or in a specific location, law enforcement will evacuate the immediate area as needed.

During an emergency, pre-scripted and pre-approved messages will be used whenever possible. Depending on the nature of the emergency and the response needed by police personnel or others, the following persons will initiate a timely warning message:

- UVU Chief of Police, Sergeant, or Officer in Charge (OIC)
- UVU Emergency Management and Safety Director
- UVU Associate V.P. of Digital Transformation
- UVU Associate V.P. of Marketing and Communications
- UVU General Counsel

**Emergency Notification: Notice of a Disaster**

UVU will issue an emergency notification to relevant members of the campus community immediately upon confirmation of a significant emergency or dangerous situation (other than criminal activity prompting a "timely warning") occurring on the campus that involves an immediate threat to the health or safety of students or employees. When an emergency notification must be issued, the Campus-wide Emergency Communication Plan will be implemented.

**Campus-Wide Emergency Communication Plan**

- In the event of a campus emergency, UVUPD should be notified immediately at (801) 863-5555. UVUPD will then notify VP of Administration & Strategic Relations.
- During an emergency, pre-scripted messages have been written and approved and will be used whenever possible. Depending on the
nature of the emergency and the response needed by police personnel or others, the following persons or organizations will carry out the process of initiating a message.

- The following Triage Team may rendezvous in person or virtually:
  - President
  - Provost
  - VP of Administration & Strategic Relations
  - General Counsel
  - Chief of Police
  - Director of Emergency Management/Safety
  - Dean of Students
  - Associate VP of Facilities
  - Associate VP of Information and Technology
  - Associate VP of University Marketing/Communications

- If an Emergency Operations Center (EOC) is activated, this group will take the lead obtaining up-to-date information about what is happening and coordinate and manage the response. The EOC will also contact and inform UCAS, the LDS Institute, the HP/West Campus, any satellite campuses, or other appropriate entities as needed.

- The President will contact and inform the Commissioner of Higher Education and Chair of the Board of Trustees.

- If the President is unreachable and the situation calls for it, decision making power should follow this order as such individuals are present: 1) Provost, 2) VP of Administration & Strategic Relations, 3) VP of Student Affairs, and 4) VP of Planning, Budget, and Human Resources, 5) VP of Development and Alumni.

- To the extent possible, the above group will be updated on the situation by the Incident Commander, who would be at the scene of the emergency. The Triage Team, or the EOC, if activated, will make decisions regarding communications plan. Communication, both internal and external, will then proceed simultaneously as follows:
  - External/ media
  - Campus email
  - Web alerts
  - Text messaging
  - Digital signage
  - Telephone alert
• Communication updates via these channels will continue throughout the duration of the emergency. Most communication will indicate the time of the next update.

• Official university communication with the media will be handled by the University Public Information Officer (PIO), who serves as the spokesperson according to University Policy 110. Requests by the media to answer questions or be interviewed concerning the emergency should be coordinated with the PIO.

**Emergency Evacuation Procedures**

In the event of a fire, the university expects that all campus community members will evacuate by the nearest exit, closing doors and activating the fire alarm system (if one is present) as they leave. Once safely outside a building, it is appropriate to contact 911 or UVUPD. Students and/or staff should check in at the assembly area identified in the building emergency plan.

At no time should the closing of doors or the activation of the alarm delay the exit from the building. In the event of another significant emergency, the university’s evacuation procedures will be influenced by the nature and magnitude and immediacy of the emergency. Evacuations may be for a single building or group of buildings, a campus neighborhood, or the entire campus. Evacuation information will be disseminated using any combination of alerts that may be useful given the nature of the incident. Information may include known hazards, general direction to travel or avoid, precautions that may be taken, and where to assemble, if appropriate. If a general evacuation is ordered, all campus members are advised to follow any directions given. For example, direction may be to report in at the Emergency Assembly Point (EAP) designated for that building. Alternatively, direction may be given to leave campus by foot to facilitate the quickest, safest movement of the campus population, and provide the best access for emergency responders.

**Testing the Emergency Plan**

UVU conducts several exercises each year, such as tabletop, functional, and full-scale exercises. This includes testing the emergency notification systems on campus. These exercises and tests are designed to assess and evaluate the emergency operations plans and capabilities of the institution. For
example, UVU conducts exercises involving the key decision-makers in an emergency. These exercises utilize the components of the emergency operations plan, emergency communications plan, and interactions with outside agencies. UVU also conducts annual fire drills in accordance with International Fire Code.

The President, Cabinet, key positions on campus, and UVUPD officers have received training in the incident command system (ICS). When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually UVUPD, local police, and local fire departments, and they typically respond and work together to manage the incident at the scene. Depending on the nature of the incident, other UVU departments and other local, state, or federal agencies could also be involved in responding to the incident.

Evacuation exercises prepare building occupants for an organized evacuation in case of a fire or other emergency. At UVU, evacuation exercises are used to educate and train occupants on fire and safety issues specific to their building. During the evacuation exercise, occupants practice evacuation procedures and familiarize themselves with the location of exits and the sound of the fire alarm. In addition to educating the occupants of each building about the evacuation procedures during the exercises, the process also provides the University an opportunity to test the operation of the fire alarm system components.

An evacuation exercise/fire drill is coordinated by the Emergency Manager and the Fire Marshal each year for all UVU facilities. These took place during fall of 2021. Students, faculty, and staff learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation.

Evacuation exercises are monitored by UVU Emergency Manager, UVUPD, the Campus Fire Marshal, and the building marshal/floor captains assigned to each building to evaluate egress and behavioral patterns. Recommendations for improvements are also submitted to the appropriate department/offices for consideration. The Office of the Fire Marshal keeps a
record of Fire Drills. The Office of Emergency Management keeps a record of its emergency response and other disaster exercises.

During 2021, UVU participated in “The Great Shakeout” statewide earthquake exercise. Communications were tested to include radios, HAM radios, satellite telephones, text messaging, monitors, uvu.info (website) and communications with city and county emergency operations centers (EOCs). All students, faculty, and staff participated in taking protective measures during the ground shaking (drop, cover, and hold on).

Simultaneous with “The Great Shakeout” exercise, a post-earthquake building assessment was conducted by facilities personnel. This included dividing the campus into four areas and having teams of two conduct a quick assessment of all building across campus to include off-campus buildings. After the assessment a determination was made about whether the building was safe to enter. A placard was then posted indicating whether people could enter the building. Assessment criteria were created using ACT-20 guidelines and other documents.

No other exercises or table tops were conducted due to the continued response to COVID-19.

Secure-In-Place Procedures

Secure in place may be necessary during situations such as the presence of a hostile or armed intruder inside a building. Secure in place requires locking doors, windows, and barricading oneself to block entry to a campus facility, a classroom, or to an office suite. If you receive a message to secure in place, do the following:

- Lock or barricade classroom and office doors
- Close windows and window treatments
- Turn off lights and silence cell phones
- Instruct everyone to remain silent and not to go into hallways
- Crouch down in areas out of sight from doors and windows to conceal yourself as much as possible
- If you are in a hallway during the emergency, seek shelter immediately in the nearest classroom or office suite
- If you are in outdoor areas, you should immediately take cover
- Wait for further instruction
Shelter-in-Place Procedures

You may be advised to “shelter in place” rather than evacuate your building during emergency situations such as large hazardous material releases or severe weather emergencies. The recommendation to shelter in place will be conveyed through several communications methods (text, email, overhead, push notification, Alertus, etc.).

If you receive a message for a shelter in place, do the following:

- Stay inside the building or go indoors as quickly as possible if you are working outside.
- Close windows to provide tighter seal against chemical vapors, smoke and/or fumes.
- Locate supplies you may need such as food, water, radio, or flashlights if you have them.
- In the event of a hazardous material release, turn off fans, air conditioning or ventilation systems, if you have control of these systems.
- Wait for further instruction.

Note: These are general guidelines that will help you remember what to do in the event of a secure in place or shelter in place event on campus, but each situation may present unique challenges. The most important aspect in both a secure in place and a shelter in place event is to put effective barriers between you and the threat.

Campus Security Access and Buildings

The University Facilities Planning/Plant Operations Department maintains college buildings and grounds with a concern for safety and security. These facilities are inspected regularly; plant staff attempts to make prompt repairs and respond 24 hours a day to reports of potential safety and security hazards, such as broken windows and locks. UVUPD assists maintenance personnel by reporting potential safety and security hazards. Students and employees are encouraged to call Facilities Planning and Maintenance at (801) 863-8130 to report any hazard. Representatives from UVUPD, Environmental Health Safety Department, and Facilities Planning
routinely inspect the entire campus to review lighting and environmental safety concerns.

Most UVU facilities are open to the public during the day and evening hours when classes are in session. During times that UVU is officially closed, UVU buildings are generally locked and only employees, faculty, and authorized students with proper ID are admitted. The UVU Emergency Manager and Environmental Health and Safety Coordinator hold a monthly safety meeting to review hazards and risks across campus that can include anything from a trip hazard, poor lighting in a parking lot, exit signs, to roadway issues. An annual safety walkthrough of each building is completed with a State Risk Management representative to identify safety or security issues.

**Firearms and Weapons Training and Guns on Campus**

Concealed Weapons: UVU complies with state law regarding weapons on campus. Utah state law states that a person may not possess a dangerous weapon, firearm, or sawed-off shot gun on school premises (Utah Code Section 76-10-505.5) except under certain conditions. One of these exceptions indicates that this criminal statute is not applicable if the person is authorized to possess a concealed firearm as provided by the concealed weapon law. UVU abides by this law and accordingly allows concealed firearm permit holders to possess their concealed firearm on campus. Utah statute defines a concealed dangerous weapon as being covered, hidden, or secreted in a manner that the public would not be aware of its presence (Utah Code 76-10-501). As an institution, UVU abides by state law and allows individuals with a current, valid concealed weapons permit to legally carry a concealed firearm under the parameters outlined by Utah state law.

**Active Shooter Training**

UVUPD officers regularly participate in active shooter response training incorporating the latest trends, techniques, and procedures. UVU’s Emergency Management Department has training available upon request for active shooter situations. This training entails educating employees on how to recognize problems in people, escalating behaviors and what to do about these behaviors, and what to do when faced with the perpetrator using the philosophy of “run, hide, fight,” and explains the basics of the Behavior
Assessment Team (BAT). During 2019, Emergency Management held 20 presentations including employees and students.

Students, staff, and faculty can view a video entitled “Shots Fired” by logging on to My UVU at www.uvu.edu and selecting the training channel. The video provides information on how to respond to an active shooter on campus and steps students and employees can take to prevent such an incident.

**CLERY ACT CRIMES**

Pursuant to 34 CFR § 668.46(c), information about any incident that may constitute any of the following crimes must be reported by Campus Security Authorities to UVUPD, and the University is required to maintain statistics of these crimes for this Annual Security Report:

- **Criminal Offenses:** Criminal Homicide, including Murder and Non-negligent Manslaughter, and Manslaughter by Negligence; Sexual Assault, including Rape, Fondling, Incest and Statutory Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson.

- **Hate Crimes:** Any of the above-mentioned offenses, and any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/Vandalism of Property that were motivated by bias.

- **VAWA Offenses:** Any incidents of Domestic Violence, Dating Violence and Stalking. (Note that Sexual Assault is also a VAWA Offense but is included in the Criminal Offenses category for Clery Act reporting purposes); and

- **Arrests and Referrals for Disciplinary Action:** for Weapons (Carrying, Possessing, Etc.); Law Violations; Drug Abuse Violations; and Liquor Law Violations.
**Clergy Act Definitions**

**Aggravated Assault:** an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied using a weapon or by means likely to produce death or great bodily harm. It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.

**Arson:** Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property of another, etc.

**Bias:** A preformed negative opinion or attitude toward a group of persons based on:

1. **Race.** A preformed negative attitude toward a group of persons who possess common physical characteristics, e.g., color of skin, eyes, and/or hair; facial features, etc., genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind, e.g., Asians, blacks or African Americans, whites.

2. **Religion.** A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being, e.g., Catholics, Jews, Protestants, atheists.

5. **Gender Identity.** A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals. Gender non-conforming describes a person who does not conform to the gender-based expectations of society, e.g., a woman dressed in traditionally male clothing or a man wearing makeup. A gender non-conforming person may or may not be a lesbian, gay, bisexual, or transgender person but may be perceived as such.
(6) **Ethnicity.** A pre-formed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term “race” in that “race” refers to a grouping based mostly upon biological criteria, while “ethnicity” also encompasses additional cultural factors.

(7) **National Origin.** A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth. This bias may be against people that have a name or accent associated with a national origin group, participate in (i) certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

(8) **Disability.** A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital, or acquired by heredity, accident, injury, advanced age or illness.

If your institution has a campus police or security department, all individuals who work for that department are campus security authorities. A security department can be as small as one person. Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property). Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses. If you direct the campus community to report criminal incidents to anyone or any organization in addition to police or
security-related personnel, that individual or organization is a campus security authority. An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. **Consent Under University Policy 162 Title IX Sexual Harassment**

**Definition** – An affirmatively communicated willingness through words and/or actions to participate in sexual activity. Consent is active, not passive, and silence, in and of itself, may not be interpreted as consent. Consent must be given by all participating parties; must be clear, knowing, and voluntary; and can be given only by someone who is 18 years of age or older and is not mentally and/or physically incapacitated.

**Determination** – All participants in the sexual activity are responsible for ensuring that they have the consent of all involved to engage in sexual activity. Any individual who engages in sexual activity without
receiving clear, knowing, and voluntary consent, or who forces a party that has withdrawn consent at any point to participate, has violated this policy. Sexual activity with someone deemed unable to grant clear, knowing, and voluntary consent constitutes a violation of this policy. This includes, but is not limited to, individuals who are:

1) Mentally or physically incapacitated for any reason.
2) Under the age of 18; or
3) Forced to give consent in any way, including, but not limited to, by coercion, intimidation, duress, deception, threats, implied threats, and/or physical force.

Consent to any one form of sexual activity does not automatically imply consent to any other forms of sexual activity.

Past consent to sexual activity does not imply ongoing future consent. The current or past existence of a relationship does not imply consent.

Whether an individual has taken advantage of a position of authority over an alleged victim may be a factor in determining consent or coercion.

*Clery Act Definitions Continued*

**Dating Violence:** violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence. The existence of such a relationship is determined based on the reporting party’s statement and with consideration of the length of the relationship, type of relationship, and frequency of interaction between the parties. It includes, but is not limited to, sexual or physical abuse or the threat of such abuse. It does not

Utah Campus Housing-Specific Reporting

Utah state law (Utah Code § 53B-28-403) requires crime reporting specific to “institution non-campus housing facilities,” “student organization non-campus housing facilities,” and “on-campus housing facilities.” These definitions and geographic descriptions are unique to state law and not consistent with Clery Act geography definitions in federal law. This data is, therefore, reported separately and may duplicate the data summarized above, which also covers student housing.

UVU has no “student organization noncampus housing facilities” or “on-campus housing facilities” as described by state law. UVU reports the following 2020 crime data for “institution noncampus housing facilities”:

CRIME PREVENTION: STAYING SAFE ON CAMPUS

Utah Valley University seeks to provide a safe and healthy experience for students, employees, and others who make use of UVU facilities. While the University makes efforts to keep the campuses safe, individuals should take steps to ensure their own and others’ safety. Many crimes are committed in response to an opportunity. Eliminating opportunity is the best prevention.

Safety Tips

1. Develop a relationship with friends and neighbors that will encourage checking on one another often.
2. Report suspicious persons or activities to UVUPD or your local police immediately.
3. Do not leave valuables unattended for even a short time. Most thefts occur moments after valuables are left unattended on campus.
4. Try to park in an area that will be well-lit and heavily traveled when you return.
5. Lock your car doors and roll up the windows completely, even if you’re only running a quick errand.
6. Do not leave valuables in plain view in a vehicle. Most auto burglaries are “smash and grabs.”
7. Be always aware of your surroundings. Know where you are and where you are going.
8. Avoid walking alone and let people know where you are going.
9. Avoid working or studying alone at night.
10. If you are being victimized, make noise, and bring as much attention to yourself as possible.
11. Keep lists of all valuables, including serial numbers (i.e., laptops, cameras, and iPods).
12. To avoid unwanted electronic communication, do not give out your name, address, or contact information. If you receive unwanted electronic communication, do not delete it, as it could be important evidence. Note the phone number displayed on your caller ID or save the text or e-mail message and bring it to UVUPD or University officials for assistance.

13. Keep ATM, debit, and credit cards in a safe place.

14. Never reveal a PIN number to anyone.

15. Never loan your ATM card to anyone, no matter who they are.

16. When possible, use ATM cards in daylight, or at night, indoor or in a well-lit area.

17. Follow all rules of the road when driving a car, riding a bike, or using other forms of personal transportation such as rollerblades, skateboards, or scooters.

18. If you choose to drink, drink legally and responsibly. Remember that your ability to respond is diminished by over-consumption of alcohol.

19. Put UVUPD and your local law enforcement agency in your cell phone, in case of emergency, along with a name and telephone number of a loved one, to enable emergency services personnel to contact your family in the event of an emergency.

**Crime Awareness / Crime Prevention**

Another important function of UVUPD is making our campus users aware of how to prevent becoming a victim of crime. If requested, one of our UVUPD officers will talk to groups regarding crime awareness/crime prevention.

**UVUPD also offers a police escort service on campus upon request. Contact (801) 863-5555 if you feel unsafe and need a security escort.**

**Officer Friendly Program**

Several times throughout the school year our UVUPD officers will make an Officer Friendly presentation to the University as well as to the Child Care Center, emphasizing "police are our friends." Child safety is stressed.

In addition, several departments on campus coordinate crime prevention efforts, including UVU’s Dean of Students, the Equal Opportunity/Title IX Office, Risk Management, and Human Resources. Presentations typically include:

- UVU policy and conduct expectations
- Types of misconduct
Personal safety
Consent
Effect of alcohol and drugs
Bystander intervention

These trainings can be provided to any department or student association on request.

Campus Safety Awareness Programs

The Chief of Police, the University Fire Marshal, the University Emergency Management and Safety Manager, the University Risk Manager, and other staff members are involved in a University Safety Committee, which makes periodic security and safety surveys of campus facilities. Suggestions are made for improving security and safety in each area of instruction to improve the safety and security of students, employees, and faculty.

UVUPD also provides sexual assault awareness training to interested members for the UVU campus community.

Women’s Safety Awareness and Self-Defense Training

UVU offers self-defense training courses through the Exercise Science Department. The course offers training in women’s self-awareness, self-empowerment, and self-defense. It also emphasizes environmental awareness and strategies in avoiding dangerous situations and teaches self-defense techniques that can be used in a crisis. RAD (rape aggression defense) Training, a six-week self-defense series, is also offered periodically.

Student Housing

UVU contractually reserves space for UVU students in certain third-party owned housing facilities. The University does not exercise operational control of the housing. Some of these housing facilities are located within 1 mile of the main Orem campus, and therefore may be considered “on-campus” student housing for purposes of the Clery Act. The University cannot guarantee or represent that non-UVU owners and managers of student housing comply with health and safety standards established by the county and the state. Students bear the responsibility to choose safe and secure living accommodations. Local law enforcement agencies are responsible for policing off-campus student residences, including the apartments listed below. UVUPD maintains a strong working relationship with local law enforcement agencies and may assist as needed. All crime should be
promptly reported. UVU residential community leaders (RCL’s) currently reside at the following complexes. RCLs are designated Campus Security Authorities and are trained to receive and report possible criminal incidents:

<table>
<thead>
<tr>
<th>Orem (“on campus”)</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Promenade Place</td>
</tr>
<tr>
<td>• Wolverine Crossing</td>
</tr>
<tr>
<td>• Village on the Parkway</td>
</tr>
<tr>
<td>• University Towers</td>
</tr>
<tr>
<td>• University Gateway</td>
</tr>
<tr>
<td>• Summerwood</td>
</tr>
<tr>
<td>• The Green</td>
</tr>
<tr>
<td>• The Axis</td>
</tr>
<tr>
<td>• Carriage Cove</td>
</tr>
</tbody>
</table>

While these locations are not physically located on campus, crime that occurs must be reported to the RCL, who will report to UVUPD for Clery compliance purposes. Crime that occurs in the above apartments or surrounding common areas must be reported, for a determination of whether it should be classified on the Clery report as “on-campus” crime. Sexual misconduct concerns should also be reported to the Title IX Coordinator. Please remember that reporting sexual misconduct or a crime for Clery purposes, does not obligate an individual to press criminal charges or to pursue a formal complaint under UVU policies.

**Travel: Short Stay and Repeated Use**

Short-stay “away” trips: University-sponsored student short-stay “away” trips (of more than one night), when a written agreement exists, must report crime for all locations used by students during the trip, controlled by the institution during the trip and used to support educational purposes. These crimes will appear as “non-campus” property on the Clery report. Travel leaders must report all crime to UVUPD within 24 hours of occurrence.

**Repeated use of a location for school-sponsored trips:**

University-sponsored student overnight trips every year, where the students stay in the same hotel each year, must include portions of the hotel in its non-campus Clery geography.
Travel: International Study Abroad Programs

Online safety and security training is required and provided to all students and employees traveling abroad through the study program. Study/Travel sponsors/leaders are considered CSAs, who will report all crime during travel to UVUPD for a determination of Clery reporting obligations. Host family situations do not normally qualify as non-campus locations unless there is a written agreement with the family that gives the University some significant control over space in the family home.

Crimes occurring in rented or leased space at a hotel or other housing facility may be reportable as “non-campus” crime. Travel leaders must report to local authorities and to UVUPD within 24 hours. Sexual misconduct concerns should also be reported to the Title IX Coordinator within 24 hours. Please remember that reporting a crime for Clery purposes or sexual misconduct does not obligate an individual to press criminal charges or a formal UVU complaint.

Additional safety information may be obtained from the U.S. Department of State website (www.state.gov). This includes travel tips, warnings, and other pertinent information.

Increasing Safety

The work of safety is never finished. As we strive for the best, it’s important to reflect on where we’ve been and where we’re going.

Looking Back. In the last 18 months UVU has initiated several new steps to make campus safer.

- **COVID-19 Response.** Like all other institutions of higher education across the nation, UVU pivoted quickly in 2020 and 2021 to maintain the safety of its students, faculty, and staff. UVU readied distance education modalities and developed numerous protocols to keep the campus community safe. Information about virus case counts, safety protocols, reporting mechanisms, protective measures, trainings, CDC and other government-provided information, and the updated resources and initiatives can be found at uvu.edu/covidinfo.

- **COVID-19 Testing.** Began offering free rapid COVID-19 testing on campus, Monday thru Friday, for members of the campus community.
COVID-19 Vaccination. Began offering COVID-19 vaccinations on campus, Monday thru Friday, for members of the campus community and their family members.

Title IX Policy Revisions. UVU updated its policy to operationalize the Department of Education’s new regulation governing sexual harassment under Title IX.

Looking Ahead. In the next two years, UVU expects to go further with safety. The following items represent expectations—not limitations. We’re constantly looking for ways to innovate.

• COVID-19 Response. Our virus response strategies are continuously evolving to account for developments in transmission data, scientific development, government recommendations, and best practices. Updated information about UVU’s virus case counts, safety protocols, reporting mechanisms, protective measures, trainings, CDC and other government-provided information, and other resources can be found at uvu.edu/covidinfo.
• Vaccinating Students. Beginning with the Spring 2022 semester, all students will be required as a condition of enrollment to show proof of COVID-19 vaccination or, alternatively, to obtain an exemption for religious, personal, or medical reasons, consistent with state law.
• Wider Safety Net. UVUPD’s Victim Advocate will begin convening regular meetings with victim’s advocates embedded in neighboring law enforcement agencies. These meetings will provide a staging ground for early, multipoint interventions in cases affecting UVU students on campus.
• Rape Aggression Defense (RAD) training. UVUPD will host a six-week self-defense instructional series for interested students and employees.
• Training for Student Organizations. UVU will continue requiring its student organizations, as a condition of continued recognition, to provide annual training to their members and to certify delivery of the approved training curriculum.

MISSING STUDENT NOTIFICATION
UVU’s policy and procedures regarding missing student notification can be found in section 4.4 of Policy 710 Clery Act Compliance. When a student has been missing for 24 hours, students, employees, and other individuals
should make a report to the UVU Police Department (801-863-5555). Any person to whom a missing student report is made should immediately refer the matter to UVUPD. Students who reside in on-campus student housing facilities have the option of identifying a contact person or persons whom the University will notify within 24 hours of a determination that the student is missing, if the student has been determined missing by UVUPD. This contact information will be registered confidentially and will be accessible only to authorized campus officials. The information may not be disclosed outside the University except to law enforcement personnel in furtherance of a missing person investigation.

RESPONSE TO AND RESOURCES FOR VICTIMS OF SEXUAL HARASSMENT, VIOLENCE, ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE AND STALKING

Title IX

Title IX of the Education Act of 1972 prohibits sex discrimination and requires gender equity in educational programs, services, and activities that receive federal funding. Sexual discrimination includes sexual harassment, dating violence, domestic violence, sexual assault, and stalking.

Utah Valley University does not discriminate based on sex in its education programs or activities, as required by Title IX and 34 C.F.R. § 106.1. The requirement not to discriminate in education programs or activities extends to admission and employment. Inquiries about the application of Title IX and its regulations to Utah Valley University may be referred to the Title IX Coordinator, to the U.S. Department of Education Office for Civil Rights, or both.

Reporting Sexual Harassment

The University requires every employee who becomes aware of sexual harassment—including dating violence, domestic violence, sexual assault, and stalking—in university programs or activities to report such incidents to the Title IX Coordinator. Students are encouraged to report such incidents.

Any person may report sex discrimination, including sexual harassment (whether the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), to the Title IX Coordinator using any of the following methods:
1) In person at the Browning Administration Building, Suite 203, 800 W. University Parkway, Orem, UT 84058 (M–F, 8 a.m. to 5 p.m.).
2) By mail to Utah Valley University, MS 272, 800 W. University Parkway, Orem, UT 84058 (any time).
3) By telephone at 801-863-7999 (any time).
4) By e-mail at TitleIX@uvu.edu (any time).
5) Online at www.uvu.edu/equalopportunity/titleix (any time); or
6) By any other means that results in the Title IX Coordinator receiving the person’s oral or written report, including anonymous reporting through EthicsPoint (www.uvu.edu/audit/concerns/).

Confidentiality and Reporting Sexual Violence

To make informed choices when consulting campus resources, complainants should be aware of confidentiality and mandatory reporting requirements. Although the University will consider the wishes of a complainant, complainants should be aware that the following levels of confidentiality.

- University employees must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the University’s ability to provide the supportive measures.
- University employees must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment; any complainant; any individual who has been reported to be the perpetrator of sex discrimination; any respondent; and any witness, except as may be permitted by the federal Family Educational Rights and Privacy Act (FERPA), its regulations, or as required by the Utah Government Records and Management Act (GRAMA), the federal Health Information Portability and Accountability Act (HIPAA), or other law, or to carry out the purposes of Title IX, including the conduct of any investigation, hearing, or judicial proceeding arising under Title IX.
- The University will protect confidential communications to designated UVU advocates authorized by the Title IX Coordinator, protected under the Utah Confidential Communications for Institutional Advocacy Services Act (Utah Code Ann. § 53B-28-101), where disclosure is not required by applicable federal law, including Title IX of the Higher Education Amendments.
• If reported to UVUPD, some exploratory conversations are confidential. Alleged victims may meet with a detective or officer without immediately triggering a full-scale investigation or the requirement to press criminal charges. Police reports, with identifying information redacted, may be available to the public upon request only if permitted by GRAMA and other applicable laws. Complainants’ and respondents’ personally identifying information will not be included in any publicly available recordkeeping, including Clery Act reporting and disclosures such as the annual security report and the daily crime log.

PROCEDURES
What to Do If You Have Been Assaulted
1. The first priority of a person who has been subjected to sexual assault should be to get to a place of safety and then to obtain the necessary medical treatment. In Utah County, seek treatment at the Utah Valley Regional Medical Center (UVRMC) emergency room, or the Merrill Gappmayer clinic, which specializes in sexual assault. Although not required, UVUPD strongly advocates that a victim of sexual assault reports the incident to police in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to UVUPD, Title IX Coordinator or deputy, or CSA. Individuals are encouraged, though not required, to file a police report.

Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers.
Filing a police report will:
- ensure that a victim of sexual assault receives a victim advocate, who helps ensure the necessary medical treatment and tests, at no expense to the victim.
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- ensure the victim has access to free confidential counseling from UVU counselors specifically trained in sexual assault crisis intervention.

2. Students may request any campus security authority to assist them in notifying law enforcement authorities about a sexual assault. Campus security authorities are trained to provide such assistance.

3. When a sexual assault victim contacts UVUPD, the victim of a sexual assault may opt for investigation through the criminal justice system and through a university disciplinary process (for students, faculty, and staff), one or the other, or neither. Victims may choose not to proceed as a complainant in the disciplinary process. A university representative from UVUPD or Title IX Office can guide the victim through the available options and support the victim in his or her decision.

Regardless of whether an individual decides to report an incident of sexual harassment, alleged victims should be encouraged to preserve evidence in case they decide later to report the incident to law enforcement. It is critical to preserve evidence as soon as possible after the incident.

If a report involves potentially criminal acts, the alleged victim should be informed in writing that he or she has the option to make a formal criminal complaint by reporting the incident to UVUPD at (801) 863-5555, or to local police by calling 911.

Evidence Preservation

If the incident just occurred, evidence should be preserved as follows:
1) The victim should call 911 and get to a safe place as soon as possible. Seeking assistance by promptly calling 911 may be important to ensuring an individual’s physical safety and/or to obtaining immediate medical care or
other support. It may also be necessary to preserve evidence, which can assist the University and/or law enforcement in responding effectively.

2) The victim should go to a hospital emergency room where trained medical personnel can collect evidence through a forensic rape exam, check for injuries, and provide emergency contraception and limited STD-preventive medication.

3) Even if the victim chooses not to seek immediate medical care, the victim should try to preserve all the physical evidence (keeping in mind it may be possible to collect evidence of the offense up to five days following the incident).

4) The victim should not shower, bathe, or douche. The victim should not brush his or her teeth.

6) The victim should save the clothing that he or she was wearing in a brown paper bag.

7) If the incident took place in the victim’s home, he or she should not rearrange and/or clean up anything.

8) The victim should be encouraged to seek support by talking with someone he or she trusts (friend, family, advisor, community, or university resource).

9) The victim may contact the Utah County 24-hour crisis line at (801) 226-4433. Trained advocates are available to provide support and talk with the victim about available options.

10) The victim should decide whether to report the incident to the police and/or university officials (keeping in mind that delay may result in lost evidence).

Additional information about preservation of evidence, reporting options, support through counseling, and other interim and safety measures can be found in the Sexual Assault Brochure at: https://www.uvu.edu/equalopportunity/docs/what-to-do-if-and-how-to-support-2sided.pdf

**Supportive Measures**

When the Title IX Coordinator receives a report of alleged sexual harassment—including dating violence, domestic violence, sexual assault,
and stalking—a representative of the Title IX Office will promptly and confidentially reach out to the victim. That initial contact will provide instructions for filing a formal complaint (if desired) and options for supportive measures and services offered on campus and in the community. These resources are available to complainants regardless of whether they report to UVUPD or file a formal complaint with UVU.

Supportive measures may include referral to crisis counseling and/or health services or referral to the employee assistance program, support for modification to housing or transportation arrangements, altering work arrangements for employees, a safety plan such as providing campus security escorts, implementing contact limitations between the parties, offering adjustments to academic deadlines, course schedules, etc. Supportive measures are confidential, and the University will notify only those who need to know for implementation purposes.

Students may also be eligible for student loan deferment. To determine whether they are eligible for loan deferment, the Title IX Coordinator and Registrar may provide necessary information for a student who elects to contact the U.S. Department of Education. For additional information regarding possible eligibility, see www.studentaid.ed.gov/sa/repay-loans/deferment-forbearance#deferment-eligibility.

The Violence Against Women Act (VAWA) has provisions for immigrants who are victims of crime. The Title IX Coordinator, Registrar, and International Student Services can assist with visa questions. There are two types of visas available, a T visa and a U visa. There is no requirement to be in immigration status to apply. More information can be found on the US Citizenship and Immigration Services website (https://www.uscis.gov) and in their brochure, Immigration Options for Victims of Crime which can be found at https://www.uscis.gov/sites/default/files/document/brochures/Immigration%20Options%20for%20Victims%20of%20Crimes.pdf.

At the recommendation of the Title IX Coordinator or designated deputy coordinator, the responsible university administrator (as defined in UVU Policy 162) may also impose an interim suspension of a student, employee,
visitor, or organization, or invoke other safety measures temporarily pending the outcome of the investigation and subsequent proceedings.

**Court Orders**

Where applicable, UVUPD will enforce orders of protection, no contact orders, restraining orders, stalking injunctions, or similar lawful orders issued by a criminal, civil, or tribal court.

**UNIVERSITY PROCESS**

This section briefly summarizes University proceedings for students and employees in cases of alleged sexual harassment, including dating violence, domestic violence, sexual assault, and stalking. For complete information please read UVU Policy 162 *Title IX Sexual Harassment*, posted at: [https://www.uvu.edu/policies/manual/](https://www.uvu.edu/policies/manual/)
Training

Disciplinary proceedings are conducted by officials who receive annual training on the issues related to dating violence, domestic violence, sexual assault and stalking and on how to conduct an investigation and hearing process that protects the safety and rights of complainants and respondents.

Standards in University Proceedings

UVU provides prompt, thorough, fair, and impartial investigations and resolutions that seek to protect the safety and due process of parties and the campus community in a manner that is respectful to all. A determination of responsibility for sexual harassment will be made by a hearing panel on a “preponderance of the evidence” standard. That is, a respondent will be held responsible if the decision-making panel determines that it is more likely than not that the alleged sexual harassment occurred. Complainants and respondents are equally entitled to a support person of their choosing during the proceedings. The level of allowed participation of support persons will vary depending the stage of the proceeding.

Investigation

Prior to completion of the final investigative report, parties will be provided with an equal opportunity review the draft report and to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations in the formal complaint. The parties may submit written responses to this information.

Hearing Proceedings

Once the investigation report is finalized, the Title IX Coordinator will promptly send the investigation report, including findings and recommended outcome, the UVU sanctioning official, who will offer a recommended sanction. The investigative report will be provided to the parties simultaneously at least 10 days before a hearing.

The parties are entitled to a hearing before a neutral 3-person panel, which shall make the final decision regarding responsibility and sanctions. The parties may present relevant evidence and cross-examine witnesses. A
neutral hearing officer will provide guidance and maintain order throughout the hearing process.

**Appeal**

Within 10 business days of written notification of the decision, any party may submit to the Title IX Coordinator a written notice of intent to appeal (1) a hearing panel determination regarding responsibility; or (2) the dismissal of any portion of a formal complaint by the Title IX Coordinator. The Title IX Coordinator will simultaneously to all parties provide instructions on the appeals process, which will be decided by an impartial appeal officer.

In cases where a hearing panel’s determination is appealed, the appeal officer’s final written determination may (1) uphold the hearing panels’ written determination(s) of responsibility; (2) modify the hearing panels’ written determination(s) of responsibility; or (3) reverse the hearing panels’ written determination(s) of responsibility.

In cases where a Title IX Coordinator’s dismissal is appealed, the appeal officer’s final written determination may (1) uphold the Title IX Coordinator’s dismissal or (2) reverse the Title IX Coordinator’s dismissal.

**Finality**

The appeal officer’s final written determination is final; no further internal reviews, appeals, or grievances are available to the parties.
Possible Sanctions

Possible sanctions for being found responsible for conduct adjudicated under this policy include, but are not limited to, the following:

**Employees**—Possible sanctions against employees for violations of this policy include, but are not limited to, verbal counseling, written warning, probation, reassignment, transfer, demotion, reduction in pay, suspension without pay, and termination of employment.

**Students**—Possible sanctions against students for violations of this policy include, but are not limited to, fines, restitution, interim suspension, suspension, warning, probation, expulsion, withholding diploma, revocation of certificate or degree, discretionary sanction, organizational sanction, and notation on the student’s transcript consistent with the Family Educational Rights and Privacy Act.

**Vendors/Contractors/Visitors/Volunteers**—Possible sanctions against employees for violations of this policy include, but are not limited to, banning the individuals from all or part(s) of the University and/or ending business relationships with the vendors and contractors.

In addition to the above sanctions, the University may issue an order of no trespassing on campus and/or in UVU programs, services, and activities.

**RIGHT OF NOTICE**

The University will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased because of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this notice.

**PREVENTION, EDUCATION, AND TRAINING**

The University provides education and prevention programs to all employees annually and students when they first enroll and throughout their enrollment.

The University's education and prevention programs include topics such as:

(1) **Awareness and consent**

(2) **Bystander intervention**
(3) Ongoing prevention and awareness campaigns
(4) Primary prevention
(5) Education on risk reduction

The University’s education and prevention programs reflect comprehensive, intentional, and integrated programming through UVU’s initiatives and strategies. The education campaigns are designed to help end dating violence, domestic violence, sexual assault, and stalking that are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research or assessed for value, effectiveness, or outcome. These programs are designed to consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

To inform and guide university practice and prevention efforts, the University conducts student, faculty, and staff climate surveys to develop education and prevention programs that reflect comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault, and stalking that, inclusive of diverse communities and identities, sustainable, responsive to university community needs, and informed by research or assessed for value, effectiveness, or outcome. These programs are designed to consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels. Through climate surveys and other statistical data, the University will monitor the effectiveness of its awareness, prevention, and risk-reduction programs and services.

The University’s education and prevention programs include:

1) **Awareness Programs**—Awareness programs consist of community-wide or audience-specific programming, initiatives, and strategies to prevent sexual misconduct as defined by policy; define consent, dating violence, domestic violence, sexual assault and stalking; share information and resources to prevent violence; promote safety; reduce sexual misconduct; and provide information about the procedures that victims should follow, and that the University will follow, after an incident of dating violence, domestic violence, sexual assault, or stalking occurs. These include:

- Title IX training for student leadership groups
• Annual Campus Climate Survey
• Consent training at new-student orientation
• Regular Title IX Sexual Misconduct Reporting and Prevention face-to-face training
• The Clothesline Project. Annually, during sexual assault and domestic violence awareness month, students work together to raise awareness of ending violence by hosting the Clothesline Project on campus.
• Criminal Justice Program conducts a sexual violence workshop every Spring semester in partnership with the campus community and local law-enforcement agencies.
• UVU is currently procuring a new online training module for students and employees based on the updated federal Title IX regulation.

2) Bystander Intervention Programs - Annual bystander intervention training provides safe and positive options that may be carried out by an individual or individuals to prevent harm or to intervene when there is a risk of sexual misconduct, dating violence, domestic violence, sexual assault, or stalking and how to report incidents of such misconduct.

Proactive Bystander Intervention
• Commit to acknowledge sexual violence is unacceptable
• Treat people with respect
• Speak up when you hear people making statements that blame victims
• Talk openly with friends about the issues and how to eliminate them
• Encourage friends to trust their instincts to stay safe
• Be a knowledgeable resource for survivors
• Don’t laugh at sexist jokes or comments

Reactive Bystander Intervention

• Inform UVUPD or local police
• Get help
• Call a friend’s cell
• Create a distraction
• Interrupt the conversation
• Ask him or her to come to the restroom with you
• Tell the perpetrator “your car is being towed”
• Say “we need to leave”

Bystander intervention is also offered as requested by groups, clubs, teams, and others interested in learning how they can help prevent and report discrimination, crime, and sexual misconduct.

3) Ongoing Prevention and Awareness Campaigns - Ongoing prevention and awareness campaigns consist of programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to, and skills for addressing sexual misconduct.

4) Primary Prevention Programs - Annual primary prevention programs consist of research-informed programming, initiatives, and strategies that are assessed for value, effectiveness, and outcomes that are intended to stop sexual misconduct before they occur through the promotion of positive
and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The University has voluntarily embraced the national “It’s on Us” campaign. Employees and incoming students have received training covering:

1) Statements that the University prohibits Sexual Misconduct, as defined by Policy 162, and the crimes of dating violence, domestic violence, sexual assault, and stalking, as defined by Utah law.
2) Definitions of dating violence, domestic violence, sexual assault, and stalking under Utah law.
3) Definitions of "Effective Consent," for purposes of this Policy, and "Consent," as defined under Utah law for purposes of sexual activity.
4) Safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking against a person other than the individual.
5) Information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks.
6) Information about the procedures that victims should follow, and that the University will follow, after an incident of dating violence, domestic violence, sexual assault, or stalking has occurred.

Consent training is offered throughout the year to students and employees.

5) Education on Risk Reduction - Risk-reduction education consists of teaching options designed to decrease sexual misconduct and bystander inaction, warning signs of abusive behavior and how to avoid potential attacks, how to increase empowerment for victims, how to promote safety, and how to help individuals and communities address conditions that facilitate violence.

2. Health and wellness fairs that include a variety of health and wellness related booths with special emphasis on alcohol and tobacco education/prevention

UVU also participates in:

a. The semi-annual meetings with USAAP (Utah Substance Abuse and Prevention Coalition). USAAP provides a network for wellness coordinators/prevention specialists from universities and colleges across Utah, and prevention coordinators from the Utah Division of Substance Abuse and the Utah Prevention Advisory Council. The consortium’s main objective is to establish a statewide network that increases communication and collaboration to improve substance abuse prevention on Utah campuses. UVU benefits in many ways from being a part of USAAP, including increased collaboration, communication, funding opportunities, and information sharing.

b. The Community Health Improvement Plan sponsored by the Utah County Health Department. UVU Wellness staff members and other health and wellness professionals meet to determine the annual priority areas of the Community Health Improvement Plan for Utah County, which currently includes behavioral health, addiction prevention and healthy coping mechanisms.
c. The (Substance Misuse and Abuse Reduction Team (SMART) Utah County. Team members receive emailed notices, newsletters, and meetings notes regarding substance abuse in Utah County.

3. Hallway “Zone” activities
   a. Information booths with education on consent and sexual misconduct.

In collaboration with the Behavioral Science Department, UVU’s Addiction Center hosted a conference on addiction and addictive behavior, which coincided with the student alternative spring and fall break trips sponsored by the Outdoor Adventure Center and Center for Social Impact.

**DATING & RELATIONSHIPS**

UVU provides educational programming about healthy relationships that can be found at this link: [www.uvu.edu/wellness/gethealthy/health-coaching.php](http://www.uvu.edu/wellness/gethealthy/health-coaching.php)

UVU Student Health Services also sponsors health and wellness booths that provide information about safe dating and healthy relationships.

The University actively monitors and evaluates the effectiveness of its awareness, primary prevention, bystander, and risk reduction programs and services through campus climate surveys and other statistical data.

**NOTICE REGARDING SEX OFFENDERS**

In accordance with the “Campus Crimes Prevention Act” (amends 42 U.S.C. § 14071), the Utah Sex Offender Registration Act (Utah Code § 77-27-21.5) requires notice to be given to institutions of higher education of persons required by the act to register who are affiliated with the institution. The Utah Department of Corrections Sex Offender Registration Program Office will inform UVUPD of registered sex offenders who are affiliated with Utah Valley University. This information will be available at UVUPD, 800 West University Parkway, Orem, Utah (801) 863-5555.

Individuals wishing to learn additional information about registered sex offenders may go to the Utah Department of Corrections Sex Offender Registry at:

**Policy on Portable Electronic Appliances, Smoking, and Open Flames**

Student housing facilities used by UVU students are not owned by UVU. The property managers and/or owners of student housing facilities each establish their respective limitations on portable electronic appliances, smoking, and open flames. According to UVU Policy 7210, students shall abide by restrictions and guidance contained in their applicable handbooks and/or lease agreements concerning electrical appliances, smoking, and open flames.

**Procedures for Evacuation from Student Housing Facilities in the Case of a Fire**

Whenever a fire alarm sounds at any on-campus student housing facility, all residents, guests, and staff should immediately evacuate and assemble at appropriate nearby locations. Residents are encouraged to assemble at nearby safe locations.

The following are fire safety evacuation tips for residents, guests, and employees at on-campus student housing facilities and other University buildings:
1. Know locations of building exits.
2. Know where the fire extinguisher(s) are located on the floor.
3. If there is smoke:
   a. Keep low to the floor.
b. Feel the door and doorknob for heat, and if the door or doorknob is hot, DO NOT open the door—call (911) or the University Police (801-863-5555).
c. Provide the building and room number.
d. Hang a towel or bright object out of your window if unable to escape.
e. Place a wet towel in front of the door to block smoke infiltration.

4. If it is safe to exit:
   a. Leave quickly, exiting the building by the closest exit.
   b. Leave the door unlocked.
   c. Close all doors.
   d. Take keys and ID with you.
   e. Assemble with others at a nearby safe location or assemble at the pre-designated evacuation assembly point and check in.

5. Re-entry: Only re-enter the building after the appropriate emergency personnel have indicated that it is safe to do so.

Policies on Fire Safety Education and Training of University Students and Employees
Student- and employee-residents, and property managers of UVU student housing facilities are invited annually to receive training on the proper use of fire extinguishers, evacuation procedures, and other fire safety topics.

Reporting Fires Occurring in Housing Facilities
Residents and employees at USA facilities should report fires occurring at USA facilities by calling 911. As soon as safely feasible, report a fire to the UVU Fire Marshal at 801-863-8021.

Plans for Future Improvements in Fire Safety
The university has determined that future improvements in fire safety are unnecessary at this time.

2 The data entries for Ventana Apartments in 2019 were deleted on November 29, 2021 because UVU maintained no contract to reserve residential space with Ventana for 2019. This correction complies with UVU’s Clery Act obligation to report data only for those apartments which UVU “owns” or “controls.”
