VALUES
UVU’s culture supports our mission of student success. Student success encompasses both completed degrees and the holistic education of students, and we believe that we can fulfill this mission best in an environment that allows all individuals to thrive personally and professionally. To this end, UVU operates in accordance with three core values: exceptional care, exceptional accountability, and exceptional results.

Exceptional CARE
We are strongly committed to working ethically and effectively. We approach each situation from a position of integrity, knowing that everything we do can help or hinder a positive student experience. We honor the resources and mandates we have been entrusted with and strive always to do our best to honor that trust. We respect each member of our community, seek to understand and fulfill our responsibilities, and recognize both individual and collective successes.

Exceptional ACCOUNTABILITY
We are committed to creating opportunity systematically for as many people as possible. Our engaged curricula, programs, and partnerships address the intellectual and practical needs of our service area and the larger community. We seek to prepare our students to thrive in a rapidly changing economy and an interdependent, complex world. We aspire to greatness in all that we do, while also measuring progress against rigorous metrics that show our students are becoming competent and ethical professionals, lifelong learners, and engaged citizens.

Exceptional RESULTS

THROUGH OPEN ADMISSION AND OTHER PRACTICES, UVU PROVIDES ACCESSIBLE AND EQUITABLE EDUCATIONAL OPPORTUNITIES FOR EVERY STUDENT WHO WANTS TO RECEIVE A REWARDING POSTSECONDARY EDUCATION.
