Utah State University, Department of Instructional Technology and Learning Sciences, Logan, UT

Currently enrolled, began August 2017

## **ACADEMIC LIBRARY EXPERIENCE**

### **Reference and Instruction Librarian, February 2014 to present**

Ira A. and Mary Lou Fulton Library, Utah Valley University, Orem, UT

- Serve as the library's instruction coordinator, including chairing the instruction team, managing instruction scheduling and outreach to Writing Program faculty, training librarians in instruction practices, and developing information literacy curriculum and online tutorials
- Teach information literacy classes for general education writing courses, targeted courses in behavioral science and communication, and a credit-bearing online library research course
- Provide reference and technology assistance at the library's Information Commons and through the library's chat and text messaging reference programs
- Liaison to the Behavioral Science and Communication Departments and member of the library's College of Humanities and Social Sciences Team
- Member of the library's marketing team, which developed a new marketing campaign that began in 2017

### **Acquisitions Assistant, July 2009 to January 2014**

J. Willard Marriott Library, University of Utah, Salt Lake City, UT

- Purchased new and replacement materials, including placing orders, creating purchase orders, managing purchasing card, monitoring budgets, and copy cataloging
- Assessed damaged books for repair, replacement, or withdrawal
- Provided reference and technology assistance at the library's Knowledge Commons and through the library's chat reference program
- Co-taught information literacy classes in a first-year student learning community (LEAP)

- Served as subject specialist to the Ethnic Studies Program in fall 2013 and as a member of the library's International College and Interdisciplinary Team

**Sustainability Intern**, May to October 2012

J. Willard Marriott Library, University of Utah, Salt Lake City, UT

- Conducted a curriculum audit to improve the library's ability to support a new undergraduate Integrated Certificate in Sustainability
- Developed a collection development policy to guide sustainability purchasing
- Created a library research guide to connect students studying sustainability with applicable books, journals, databases, and community organizations

**OTHER RESEARCH & UNIVERSITY EXPERIENCE**

**Clinical Study Assistant**, May 2007 to June 2009

Huntsman Cancer Institute, Salt Lake City, UT

- Coordinated medical research studies, including communications with the university's Institutional Review Board, creating and editing study documents and consent forms, data collection and entry, and publication preparations
- Assisted research studies' principal investigator with literature reviews and grant preparations
- Produced and wrote articles for annual Melanoma Program newsletter

**Orientation Leader**, January 2006 to December 2006

Office of Orientation, University of Utah, Salt Lake City, UT

- Educated incoming first-year and transfer students regarding academic graduation requirements, campus opportunities, and student resources
- Provided academic advising to College of Humanities students and assistance with class registration for all students

**Peer Adviser**, August 2004 to May 2006

LEAP Program, Office of Undergraduate Studies, University of Utah, Salt Lake City, UT

- Served as a peer adviser to students enrolled in LEAP, a first-year learning community that helps students transition successfully into college while earning general education credits
- Assisted librarians with information literacy instruction in support of final research projects
