

Accessibility Services

PURPOSE AND MISSION

Accessibility Services promotes access to the university experience by removing barriers to ensure all students have the opportunity to fully participate in their education.

We support students who need accommodations due to:

- Disabilities
- Temporary Medical Conditions
- Pregnancy and Pregnancy-related Conditions
- English as a Second Language
- Religious/Conscientious Beliefs

PROGRAMS AND SERVICES

Accessibility Advising

Through an interactive process, accessibility advisors and coordinators work with students to determine appropriate accommodations and supports.

Deaf/Hard of Hearing Services

Provides communication access for Deaf/Hard of Hearing students and university guests:

- ASL Interpreters
- Transcription
- Assistive Listening Devices
- Open Access Events

Support Programs

Support beyond classroom accommodations:

- Peer Mentoring
- Learning Specialists
- Delta Alpha Pi (DAPi) Honor Society
- Study Zone
- Access Assistance
- Disability Assessment Support
