

CARE Hub & Wee Care Center

Purpose/Mission

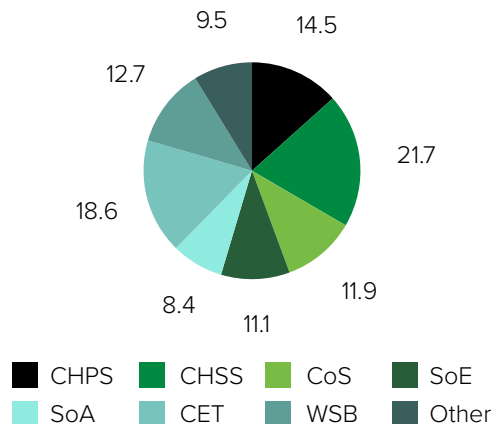

Our mission is to create an inclusive environment where all Wolverines can readily access essential resources for childcare, food, housing, health, and safety. By affirming each student's lived experience, we can provide comprehensive support and resource allocation through fostered relationships on campus and with community organizations. This holistic approach allows students to thrive and achieve their full potential, ensuring no student faces barriers to their well-being and success.

LEARNING OUTCOMES

Students who engage with CARE Hub programs and services will:

- Strengthen problem-solving and resilience by working with staff to address basic needs and childcare challenges.
- Experience reduced stress and improved academic focus through access to comprehensive support services.
- Foster stronger relationships with friends and family—especially between children and parents—through nurturing environments and family-centered programming at the Wee Care Center.
- Build a sense of belonging and social responsibility by engaging in CARE Hub volunteer opportunities and community events.

CARE HUB STUDENTS BY COLLEGE

Building Belonging and Well-Being at UVU

The CARE Hub at UVU offers 17 distinct programs that address a wide range of student needs—from food and housing insecurity to mental health, childcare, and financial support. These services play a vital role in promoting academic success, emotional well-being, and a sense of belonging for students and their families. By integrating resources like the Wee Care Center, the CARE Hub ensures that student-parents and their children receive compassionate, comprehensive support throughout their university journey.
