

Child Care Resource Agency

PURPOSE AND MISSION

Child Care Resource Agency (CCRA) is a program for families to receive child care referrals and community resources. We serve all families in Utah, Juab, Summit, and Wasatch counties. CCRA assists child care programs in becoming licensed and improving their quality of care. We also help our target communities to understand the importance of early childhood development and care. You do not have to be affiliated with UVU to access our services. CCRA is funded by the Department of Workforce Services, Office of Child Care through the Child Care and Development Block Grant.

PROGRAMS AND SERVICES

DATA AND RESOURCE:

Provides free, comprehensive child care referral services to consumers seeking information about all possible early care and learning for children. Hosts and attends several community events to share information about services and the importance of early childhood education.

CHILDCARE QUALITY SYSTEM:

Coordinate and oversees the Child Care Quality System (CCQS) by providing technical assistance, training and documentation.

EARLY CHILDHOOD SPECIALISTS:

Program Coaching and Observations: Implements and completes coaching and observational services for early childhood programs. Utilizes required Environment Rating Scale (ERS) tools and other approved methodologies to support quality improvement efforts.

TRAINING COORDINATORS:

Provide professional development trainings and consultation with individuals and programs. Manage and direct a cohort for participants to attain their Child Development Associate (CDA) credential. Attends community and educational events to provide partnership possibilities.
