

Deaf/Hard of Hearing Services

PURPOSE AND MISSION

We serve Utah Valley University students and the community by providing access to the campus and curriculum for individuals who need communication accommodations to facilitate, support, and encourage their academic success and retention, and ensure their educational rights.

PROGRAMS AND SERVICES

ASL Interpreting & Transcription:

In-person and virtual interpreting & transcription provided for students and guests.

Accessibility Advising:

Using direct communication through ASL, an accessibility advisor engages in the interactive process to determine appropriate accommodations and supports for students.

Open Access Events:

ASL interpreting automatically provided at highly attended events.
