

First-Year Experience and Family Program

PURPOSE AND MISSION

The mission of the First-Year Experience and Family Programs (FYEFP) office is to serve UVU students by providing effective on-boarding processes and first-year support geared toward increasing college preparedness and connection to UVU.

PROGRAMS AND SERVICES

FRESHMAN CONVOCATION:

We welcome first-year students and their families to UVU with a celebration that connects Wolverines to the campus community from day one.

JUMPSTART ORIENTATION:

On-campus orientation events that introduce students to resources and programs include sessions for first-year students, parents and families, transfer students, and other student populations.

FIRST-YEAR ADVISING:

Academic advisors serve students with under 30 credit hours and support students through their transition to college life.

PARENT AND FAMILY PROGRAMS:

Resources and initiatives that include families and loved ones in their student's academic journey.
