

Military-Affiliated Student Hub

PURPOSE AND MISSION

The Military-Affiliated Student Hub (MASH) supports student veterans, service members, and their families through personalized benefit guidance, scholarship opportunities, and community connection. Our goal is to foster student wellness, growth, and belonging through campus partnerships, the VA VITAL program, and inclusive events and organizations.

PROGRAMS AND SERVICES

BENEFIT SUPPORT:

We help students understand the VA benefits available for military-affiliated students and simplify the process for submitting and certifying the necessary forms.

MIDAS:

A student organization for Military Individuals, Dependents, and Spouses (MIDAS) that brings military-affiliated students together to foster community and camaraderie.

VITAL:

Veterans Integration to Academic Leadership (VITAL) is a partnership between UVU and the VA Medical Center of Salt Lake City to bring on-campus mental health care and other resources to student veterans and service members.

COMMUNITY EVENTS:

We bring the military-affiliated community together at events throughout the year, including Veterans Week, Evening of Gratitude, the annual Kickball Tournament, and partnerships with UVU Rodeo and Jumpstart Orientation.

2024-2025 IMPACT REPORT

11,000
event participants

1,886
VA benefit applications

26
scholarships awarded
totaling \$24,175

202
VITAL survey responses for
personalized support plans

Student Testimonial

"I put my education on hold for 24 years to raise five children and support my husband, who serves in the military.... UVU and the Military-Affiliated Student Hub have enabled me to pursue my dream of becoming a nurse. My goals are to finish my education debt-free and to support my own children in their educational journeys. MASH has been crucial in helping me achieve these goals."

— Brooke Williams, BS Nursing 2026
