

Registrar's Office

PURPOSE AND MISSION

The mission of the First-Year Experience and Family Programs (FYEFP) office is to serve UVU students by providing effective onboarding processes and first-year support geared toward increasing college preparedness and connection to UVU.

LEARNING OUTCOMES

Because of the work performed in the Registrar's Office:

- Students can add, drop, and withdraw classes.
- Students know their degree progress and can plan for future semesters.
- Students can exercise control over the release of their education records and information.
- Students can easily order their transcripts and have them sent anywhere in the world.

PROGRAMS AND SERVICES

- Graduation and credential awarding
- Transfer credit evaluation and articulation
- Registration and student records
- Wolverine Track degree audit
- Catalog production and publication
- NCAA student-athlete academic eligibility
- Student systems access and auditing
- FERPA compliance and data governance
