11. Once you have set up your account set up you may have to fill out a survey about what your course placement goal is.
12. Finally you will be guided through a short tutorial on how the ALEKS system functions.
13. From this point you will have up to 5 assessments that you can take in the ALEKS system.
 - Depending on your preference the first 3 assessments can be un-proctored for practice and can be taken anywhere or they can be proctored for official scores at a testing site that will result in an official course placement.
 - The last 2 assessments, must be proctored for official scores.
 - There is no requirement to use all 5 assessments.
 - Your ALEKS account membership will last for 6 months.
