

New Student Checklist

As a UVU Theatrical Arts major, it's important to hit the ground running! Here are a few things to check off your list in your first two weeks of school, to make sure you're on track!

- Familiarize yourself with the department website; many of your questions can be answered there
- Make sure your UVU email is working and you're able to communicate electronically with your professors and the department
- Spend some time figuring out Canvas and make sure you're getting notifications from your courses
- Meet with your professors -- we're eager to get to know you!
- If you haven't met with an advisor, schedule an advising appointment by visiting the Registration section of the website
- Subscribe to the Announcements stream on the department website homepage so you can receive important information via email
- Join the "UVU Theatrical Arts" Facebook group for access to community information and announcements
- Attend Company Call at 5pm on the first Tuesday of the month
- Consider joining our student clubs TAG and USITT to make friends and get involved
- Register for 159R Backstage Practicum to get involved with production right away
