

Assign a Delegate & Configure Call Answering Rules

Assign a Call Delegate

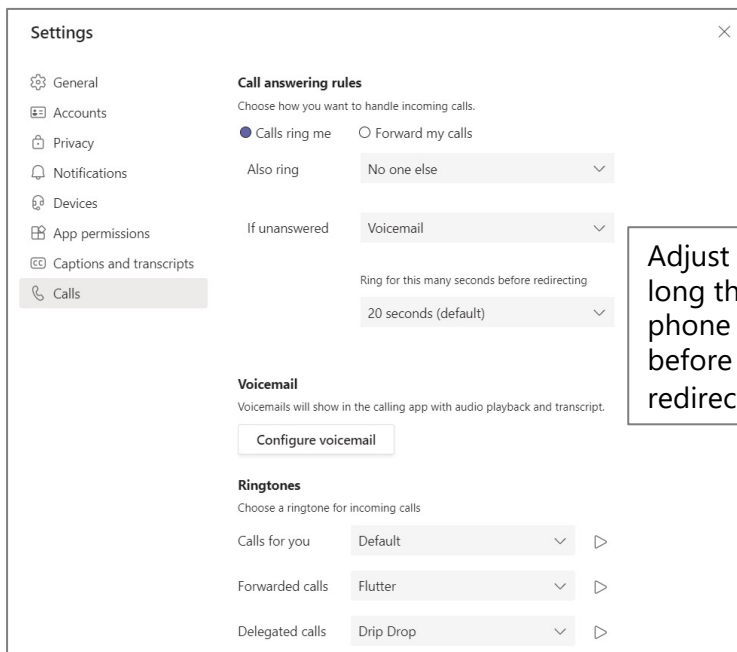

Assign delegate permissions to a peer to make and receive calls on your behalf.

Access **Settings** from the presence indicator. Select **General** and **Your delegates**. Identify the delegate to add and assign the appropriate permissions:

Configure Call Answering Rules

Call answering rules can be setup to forward calls or establish a simultaneous ring to a peer or alternate phone number.

Adjust how long the phone rings before redirecting.

When receiving a forwarded call, a banner will be added to the call notification indicating who is forwarding the call.
