## FROM THE COORDINATOR

To Our TRIO Talent Search Students,

As you, our graduating seniors, prepare to walk across the stage this month, we want to take a moment to celebrate this incredible milestone with you. Your dedication, resilience, and perseverance have brought you to this point, and we are so proud of each and every one of you. You represent the heart of TRIO Talent Search, and we are confident that your futures are bright. Whether you've already committed to a college or are still weighing your options—waiting on that final acceptance letter or scholarship decision—we want you to know that we believe in you and are here to support you every step of the way.

To all students in the TRIO Talent Search program, this is a reminder that every effort you put in now lays the foundation for your success later. The path may not always be easy, but it is always worth it. Seniors, we are proud of how far you've come, and for our underclassmen, let this be your motivation—work hard now, stay focused, and trust that your time will come too. We expect great things from each of you, and we can't wait to see all you will accomplish. Keep striving, keep believing, and keep pushing forward—your future is full of promise.

Paul, ETS Coordinator
