FROM: Dennis Goudy, Quality Assurance Program Manager
DATE: 20 March 2022
SUBJECT: National Fire Academy Course Offerings / Host Agencies Needed

UFRA is excited to announce that we have several excellent officer development courses available from the National Fire Academy. They will be delivered to local host agencies in Utah. Our goal is to schedule as many of these as reasonable and in all regions within Utah. Please review the below opportunities and contact UFRA ASAP if you can serve as a host. Note that the courses are 2 and 6 day deliveries. We must have a solid roster of at least 20 students NLT 40 days prior to the scheduled start date.

We have scheduled only 1 course between July 1, 2022 – September 30, 2022. We can schedule at least 2 more between the dates listed above.

Beginning **October 1, 2022 and September 30, 2023** we can schedule 9 more courses.
