

# INSTRUCTIONS FOR INSTRUCTOR SKILLS EXAM

## LEAD TESTER INSTRUCTIONS

**\*\* Testers** - prior to exam day, please review the “Fire Instructor I – Skills Testing Instruction Sheet” (see test box).

As the Certification tester of this exam, **YOU** are representing the Utah Fire Service Certification Council. You are responsible for test security. Examinations must either remain locked in a secured place or in your possession at **all** times. Failure to do so is a violation of policy. Review the following procedures and follow them as outlined, complete and check off each step listed, and sign the back of this form.

### Check Training Records

- Prior to conducting the exam, training records must be checked for **100% completion**. If they are not complete, **do not** conduct the test. Contact a department representative and/or the Certification program manager.

### Pre-Exam Briefing with Test Team

- Score the candidates for: **swiftly** completing the skill in the allotted time, **safely** completing the skill, and **competently** completing all performance criteria. The candidate must complete all critical competencies to pass the skill. If they do not, they fail the attempt. Certification testers will not coach or instruct during the examination process. Certification testers will ensure that all equipment is in safe and working condition, and that all candidates testing are wearing appropriate PPE during the test as required by the skills given.
- While administering the “spot check,” read the skills to be demonstrated, the conditions to be met, and the time limit to complete each skill. Do this with each candidate as they come to each testing station. Ask the candidates if they have any questions before beginning the skill. Questions will not be answered after the time begins. All timing of skills will be done with the STOPWATCH provided by the Certification Office.
- As each candidate completes a skill, sign the lower section of that skill sheet. If a candidate fails a 1st attempt, the 2nd attempt should be conducted by a different tester. If only one tester is at the test site, the tester may conduct the 2nd attempt, if granted permission by the candidate. **If the candidate grants permission, the candidate must initial the skill sheet in the space provided.** If a candidate fails a 2<sup>nd</sup> attempt, the tester will need to have them review and sign the bottom section of that skill sheet.
- Test booklets should be handed from tester to tester. **DO NOT** allow candidates to carry test booklets from one station to the next.
- If there is a question or a problem that arises during the exam, it should be brought to the Certification program manager’s attention immediately. Do not discuss problems around candidates taking the exam. Discuss them in private.

### Post-Exam Instructions

- If you had any problems or concerns, please write them down and forward them to the Certification Office.
- YOU ARE RESPONSIBLE** for completing the “Spot Check” Examination Results form (**BOTH sides**). Review all exam booklets to ensure that they are completed and collect all clipboards, stopwatches, and any unused exam booklets.
- Make sure all time sheets and travel reimbursement forms are signed and returned with the test box.
- Use the “Return Shipping Label” to return all examinations and materials to the Certification Office. Attach the “To Be Opened by Certification Office Staff Only” seal to the box or envelope. Drop it off at the post office.
