Description

Join Northrop Grumman on our continued mission to push the boundaries of possible across land, sea, air, space, and cyberspace. Enjoy a culture where your voice is valued and start contributing to our team of passionate professionals providing real-life solutions to our world's biggest challenges. We take pride in creating purposeful work and allowing our employees to grow and achieve their goals every day by Defining Possible. With our competitive pay and comprehensive benefits, we have the right opportunities to fit your life and launch your career today.

Northrop Grumman is currently seeking a Firefighter 1/Firefighter 2 at our Promontory, Utah location.

The Firefighter 1 is an entry-level position requiring basic certifications and no previous experience in the fire service. The Firefighter 2 is certified firefighter with 2-4 years' experience and additional certification requirements above Firefighter 1. Both positions will work a 48/96 schedule as part of a shift team. Successful candidate will assist to provide fire prevention, protection, and a safe and effective emergency response to personnel and facilities. Other responsibilities include assisting in the administration of emergency medical treatment; inspection of building fire systems, conducting motor test standbys, burning ground standbys, training, flare drops, special assignments, animal control, and evacuation drills -along with all other duties assigned.

Minimum Fire Department Requirements:

- Must be able to work in confined spaces, elevated areas and hazardous locations wearing appropriate Personal Protective Equipment (PPE).
- Must be able to meet sight, hearing, and physical response comparable to NFPA 1582 chapter 6 and chapter 9.
- Current/valid driver's license

Firefighter 1 Minimum Requirements:

- Current State certification as Fire Fighter I, Fire Fighter II, Hazardous Materials-Operations

- Certified Emergency Medical Technician (Able to obtain Utah reciprocity within 120 days)

Candidate must be willing to obtain the additional Utah State certifications within 24 months of hire:

- Advanced EMT
- Wildland Firefighter I
- Apparatus Driver Operator – Pumper

Firefighter 2 Minimum Requirements:

- Current State certification as Fire Fighter I, Fire Fighter II, Hazardous Materials-Operations, and Driver Operator Pumper
- Certified Advanced Emergency Medical Technician (Able to obtain Utah reciprocity within 120 days)
- 2-4 years of emergency response experience

Preferred Requirements (Candidates not possessing the following Utah State certifications must be willing to obtain certification within 24 months of hire or promotion from Firefighter 1):

- Utah Type 3 and 4 Fire Extinguisher certification
- Utah Automatic Fire Sprinkler Technician II certification
- Hazardous Materials Technician
- Wildland Firefighter I

Salary Range: \$34,500.00 - \$57,500.00Salary Range 2: \$41,000.00 - \$68,400.00

Employees may be eligible for a discretionary bonus in addition to base pay. Annual bonuses are designed to reward individual contributions as well as allow employees to share in company results. Employees in Vice President or Director positions may be eligible for Long Term Incentives. In addition, Northrop Grumman provides a variety of benefits including health insurance coverage, life and disability insurance, savings plan, Company paid holidays and paid time off (PTO) for vacation and/or personal business.

The health and safety of our employees and their families is a top priority. The company encourages employees to remain up-to-date on their COVID-19 vaccinations. U.S. Northrop Grumman employees may be required, in the future, to be vaccinated or have an approved disability/medical or religious accommodation, pursuant to future court decisions and/or government action on the currently stayed federal contractor vaccine mandate under Executive Order 14042
