

COURSE DESCRIPTION

All students are responsible to bring their **IRPG's** (Incident Response Pocket Guide) **FLHB's** (Fireline Handbook) and the applicable **PTB** (Position Task Book) to each class session. Additional items will be mentioned on the course acceptance letter. You are responsible to double check your enrollment status, current address, phone numbers, and email addresses. This will help ensure that you as the student will receive any and all the information pertaining to the class you are enrolled for. **If your supervisor has enrolled/nominated you, it's critical that you double check your enrollment status.**

By clicking on the **ROLL** for each class, you can see an updated class enrollment. This will be done weekly. Any questions or concerns call Angie Menlove (801)863-7704 and or Dan Cather (801)863-7423.

S-230 – CREW BOSS

Course Description:

This is a classroom course designed to produce student proficiency in the performance of duties associated with the single resource boss position from initial dispatch through demobilization to the home unit. Topics include operational leadership, preparation and mobilization, assignment preparation, risk management, entrapment avoidance, safety and tactics, offline duties, demobilization, and post incident responsibilities.

Objective:

- Describe crew boss responsibilities prior to and during mobilization, on the incident, and during demobilization.
- Identify the hazards and risks on various incidents and describe how to mitigate them.
- Describe tactics which are appropriate to various wildland fire situations and procedures to implement them through the chain of command.

Target Group:

Personnel desiring to be qualified as any single resource boss.

Course Prerequisites:

- Qualified as firefighter type 1 (FFT1).
- Successful completion of Intermediate Wildland Fire Behavior (S-290). Satisfactory completion of pre-course work.

COURSE DESCRIPTION

S-231 – ENGINE BOSS

Course Description:

This is a skill course designed to produce student proficiency in the performance of the duties associated with engine boss, single resource (ENGB). Topics include engine and crew capabilities and limitations, information sources, fire size up considerations, tactics, and wildland/urban interface.

Objective:

- Perform the tasks of an engine boss in making the tactical decisions required to safely manage an engine on an incident.

Target Group:

Personnel desiring to be qualified as engine boss, single resource (ENGB).

Course Prerequisites:

- Qualified as a firefighter type 1 (FFT1).
- Successful completion of Crew Boss, Single Resource (S-230) (instructor led or blended delivery).

S-236 – HEAVY EQUIPMENT BOSS (SINGLE RESOURCE)

Course Description:

This skill course is designed to meet the training needs of a Heavy Equipment Boss on an incident as outlined the PMS 310-1 and the Position Task Book developed for the position. Primary considerations are tactical use and safety precautions required to establish and maintain an effective dozer operation. A field exercise is required as part of the course.

Objectives:

At the successful completion of this course, students will be able to:

- Identify the administrative duties and procedures required of a HEQB.
- Identify and demonstrate the heavy equipment inspection process and related duties of the HEQB.
- Demonstrate the actions required of a heavy equipment boss to safely and effectively complete an assignment.
- Discuss relevant information and methods for communication and tactics related to heavy equipment.
- Identify the process of preparing for an all hazard assignment.

Target Group:

Personnel desiring to be qualified as heavy equipment boss, single resource (HEQB).

Course Prerequisites:

Qualified as firefighter type 1 (FFT1).

Satisfactory completion of pre-course work.
