

Fire Officer I – Assignment #1
Utah Fire and Rescue Academy

Situation:

As a company officer, you need to know and understand how the company officer role differs from that of a subordinate. You need to know your organization and how the flow of information and responsibility occurs.

Assignment:

1. Identify and describe to whom company officers are responsible.
2. Identify one category of duties that will be the most challenging and explain why you expect it to be the most challenging.

Requirements:

1. Type your assignment, double-spaced, using a word processing or other data entry software program. Be sure to proofread for grammar and spelling.
2. Make your document professional enough to present to your department superiors. You may use your department letterhead if you wish.
3. Submit the assignment electronically as a .doc or .docx.
